Notice

Date: 12.03.2026

All students of Sripat Singh College are hereby informed that a “Career Talk” Programme is being organized by Sripat Singh College in collaboration with Future Guide Medical Representative Training Institute, Berhampore on 19 March 2026 (Thursday) at 12:00 Noon in the Rabindra Sabhakakha, Sripat Singh College.

The Programme aims to provide students with valuable insights into career opportunities in the pharmaceutical sector, particularly in the field of Medical Representation, along with information on industry expectations, professional skills, training requirements, and employment prospects.

Students are strongly encouraged to attend the Programme and actively participate in the interactive Question-and-Answer Session to gain a better understanding of emerging career opportunities and skill-development pathways.

All students are requested to be seated in the venue by 11:45 A.M.

All eligible students are encouraged to participate in this informative and career-oriented programme and make the best use of this opportunity.

Dr. Kamal Krishna Sarkar
Principal
Sripat Singh College

REPORT ON CAREER TALK PROGRAMME

Sripat Singh College, in collaboration with Future Guide Medical Representative Training Institute, Berhampore, successfully organized a Career Talk program on 19 March 2026 at 12:00 Noon in the Rabindra Sabhakakha, Sripat Singh College. The programme was designed to provide students with practical knowledge about career opportunities in the pharmaceutical and healthcare marketing sectors, with special emphasis on the role and prospects of Medical Representatives. The program witnessed enthusiastic participation from undergraduate students belonging to different academic disciplines who were eager to explore emerging employment avenues and industry-oriented skill development opportunities.

The programme commenced with the inaugural session presided over by Dr. Kamal Krishna Sarkar, Principal of Sripat Singh College. In his inaugural address, Dr. Sarkar emphasized the growing importance of skill-based education and industry-academia collaboration in enhancing employability among students. He encouraged participants to remain proactive in acquiring professional competencies beyond conventional academic curricula. The session was further enriched by the insightful remarks of Dr. Sagar Simlandy, Coordinator, IQAC, who highlighted the significance of career-oriented training initiatives in preparing students for the dynamic job market. Mr. Dibakar Das, TCS, Sripat Singh College, also addressed the gathering and discussed the importance of soft skills, communication abilities, and professional ethics for career success.

The technical and interactive sessions were conducted by Mr. Surajit Dey and Mr. Priyam Banerjee from Future Guide Medical Representative Training Institute, Berhampore. The resource persons provided a comprehensive overview of the pharmaceutical industry, the responsibilities of Medical Representatives, recruitment procedures, career growth opportunities, and the essential skills required to excel in the profession. Through practical examples and industry insights, they acquainted students with current employment trends and expectations of employers. The speakers also explained various training modules offered by the institute and discussed how specialized training can significantly improve job readiness among graduates. The entire programme was efficiently anchored and coordinated by Dr. Abhisekh Basu, Coordinator, Career Development Counselling and Placement Cell (CDCPC), Sripat Singh College, who ensured the smooth conduct of all sessions.

A lively Question-and-Answer Session followed, during which students actively interacted with the speakers and sought clarification on career prospects, training requirements, placement opportunities, and professional challenges in the sector. The programme concluded with a formal Vote of Thanks, expressing gratitude to the Principal, resource persons, organizers, faculty members, and participants for their valuable contributions. The programme proved highly beneficial in creating awareness regarding employment opportunities and motivating students towards skill-based career development.
