|  Gregor Johann Mendel (1822-1884) | Inaugural Address (11:30 am-11:45 am): Prof. Asis Kumar Sen Teacher-in-Charge, Sripat Singh College |  |
| | Address (11:45 am-12:00 pm): Prof. Sumit Kr. Bandyopadhyaya Coordinator, IQAC, Sripat Singh College | |
| | Lecture (12:00 pm-1:00 pm): Dr. Abhishek Basu Assistant Professor Department of Molecular Biology and Biotechnology | |
| | Lecture (1:00 pm-2:00 pm): Mr. Debraj Roy Assistant Professor Department of Botany | |
| | | Date - 27-07-2022 Time - 11:30 am to 2:00 pm Venue - Rabindra Sabhagriha, Sripat Singh College |

A Seminar on ‘Celebrating 200 Years of “Father of Genetics”’ was organized by the Department of Molecular Biology and Biotechnology, Sripat Singh College on 27th of July, 2022 from 11.30 AM onwards. Ms. Debjani Mandal, Head of the Department of Molecular Biology and Biotechnology was the convener of the seminar. Prof. Asis Kumar Sen, Teacher-In-Charge, of Sripat Singh College was the chairperson. Around 50 participants, including some science faculties of Sripat Singh College and students mainly from Zoology, Botany and Molecular Biology & Biotechnology Department participated in the seminar.

There were two lectures delivered in the seminar, One given by Dr. Abhishek Basu, Assistant Professor, Department of Molecular Biology and Biotechnology and the other given by Mr. Debraj Roy, Assistant Professor, Department of Botany. The inaugural lecture of the seminar was given by Prof. Asis Kumar Sen. While Dr. Abhishek Basu mainly talked on the life of Gregor Johann Mendel and his research, Dr. Debraj Roy focused on the experimental techniques performed by Mendel during the course of his research. Both the speakers interacted with the students and answered their queries.
