One day National Seminar on “Environmental Perturbation: Root Causes and Remedies”

Comprehensive report on the national level seminar titled “*Environmental Perturbations: Root Causes and Remedies*” held on 28th Feb. 2020 at Sripat Singh College, Jiaganj

Preface

“Science is a best invention of a universe. Without science, there is no change in the world.”

28th February is a red letter day for all Indians. The day marked the discovery of the Raman Effect by Indian physicist Sir C. V. Raman in 1928 and for his landmark discovery; he was awarded the Nobel Prize in Physics in 1930. In 1986, the NCSTC (National Council for Science and Technology Commission) asked the Government of India to designate February 28 as National Science Day. The day is now celebrated all over the country in schools, colleges, universities and other academic, scientific, technical, medical and research institutions. National Science Day is being celebrated every year to widely spread a message about the importance of science in the daily life. Organizing a seminar on this occasion was possibly the best way to commemorate the day.

Our poor earth is heading towards disaster. Environmental degradation is one of the largest threats to the world today. Over exploitation of natural resources, indiscriminate use of land, habitat fragmentation, wanton deforestation, rampant use of chemical fertilizers, increasing soilwater-air pollution by various anthropogenic means are the leading causes of environmental perturbation and subsequent degradation. It invariably causes loss of human health, loss of biodiversity, depletion of ozone layer, global warming, melting of polar ice and affects tourism industry and economy of the country by and large. The long term effects of such phenomena are so gigantic that appropriate strategies must be adopted in no time to save our earth from its imminent destruction. The seminar principally aimed at exploring the various underlying mechanisms of proposed solutions and also focused on generating novel ideas for successful mitigation of the dreadful impact of environmental degradation and subsequent restoration.

Inception of the seminar

The seminar was the brain child of honorable Principal of Sripat Singh College, Dr. Shamsuzzaman Ahmed. He made an announcement about the seminar on 2nd January, 2020 at college staffroom to greet the New Year. Shortly, he called on a meeting on 3rd Feb. 2020, where the heads of the departments’ viz., Zoology, Botany, Molecular Biology and Biotechnology and Environmental Science were present to discuss about the proceedings of the national seminar. Names of various eminent speakers were surfaced in that meeting and eventually Principal Dr. S. Ahmed in consultation with the members present in the meeting, decided that Dr. Amit Chakraborty (Professor, Central University of

Preparatory phase of the seminar

Soon after the formation of the organizing committee, every member started playing their part to the best of their ability. The brochure of the seminar was finalized in least possible time and was printed on 8th Feb. 2020. The soft copy was though put in circulation a couple of days earlier before the printed copies were available. A total of 70 copies were printed and the printed copies of the brochure were delivered to nearly all the colleges of Murshidabd and Nadia district. A few copies of the brochure were delivered to other colleges of the state via speed post. The circulation of the soft copies was even more pronounced. All the members of the organizing committee left no stone unturned for wide circulation of the brochure of the seminar. The convener of the seminar personally visited all the nearby colleges of the Murshidabd district to cordially invite the faculty members of the respective colleges to the seminar which was scheduled to be held on National Science Day. Nominal registration fees of Rs. 750/- for faculty members, Rs. 300/- for research scholars and Rs. 100/- for students were fixed for participation in the seminar. Both the facilities of online payment and spot registration were enjoyed by the participants.

In the seminar, abstracts and posters from the participants were called for. An overwhelming response was received in terms of abstracts and posters presentation from the delegates of different colleges and universities. Publication of an abstract book was also planned on the occasion of the seminar. A total of 68 abstracts were received till the deadline of abstract submission, i.e. 24th Feb. 2020. In the mean time, the printing of certificates as well as all the other accessory requirements of the seminar were also fulfilled. The seminar hall (Room No. 5) and the entrance of the college were beautifully decorated before the day of the seminar. Room no. 1 of the college was selected exclusively for poster presentation. . The seminar was all set to kick off on 28th Feb. 2020, the National Science Day. It is worth mentioning that JiaganjAzimganj Municipality also collaborated with Sripat Singh College for successfully organizing the seminar and stretched all possible financial support to make the seminar a success.

Inaugural session of the seminar

On the day of seminar, Dr. Suchetana Mukherjee, Assistant Professor, Deptt. of Botany, Sripat Singh College, conducted the programme for the entire day. The programme started at 11.00 am in the morning at “Rabindra Sabhagriha” (Room No. 5). At the start of the programme, she heartily welcomed all the delegates and briefly introduced the essence of the seminar. The anchor next called all the dignitaries on the dais and asked them to take their seats. Mr. Debasish Sarkar (President of the Governing Body of the College), Dr. S. Ahmed (Principal of College), and four eminent speakers of the seminar were called on the dais and felicitated by the students of 3rd year Botany (Hons.). Registration of the incoming delegates was also running concurrently with the proceedings of the seminar. Mrs. Sayantani Basu (Faculty of Mol. Bio. & Biotech.) and Biplab Sarkar (HoD, Deptt. of Computer Sc.) performed their duties well at the registration desk. The delegates were given the seminar kit containing file, pen, note pad, programme schedule, abstract book and a lunch coupon. After finishing registration, the delegates were offered snacks and tea before entering into the seminar hall. A total of 31 delegates from exterior colleges and universities registered their presence on the day of seminar. Participation of faculty members and students of Sripat Singh College was even more encouraging. A total of 66 faculty members and 67 students from different departments of the college made their active presence in the seminar. Next, the Principal of the college, Dr. S. Ahmed delivered his

inaugural speech. He talked about the glorified history of the college in organizing seminars from time to time in the past. He also emphasized much on the importance of organizing such seminars in modern times.

Mr. Debasish Sarkar (former student and present president of the G.B. of the college) was then asked to say few words on the occasion of the seminar. He expressed his contentment with regards to Sripat Singh College organizing the seminar on the occasion of National Science Day and wished grand success of the seminar. Mr. Sarkar also opened the abstract book of the seminar along with Principal of the college Dr. Shamsuzzaman Ahmed.

Pre-lunch lecture session of the seminar

Pre-lunch session of the seminar started with the key note address delivered by Dr. Susanta Kr. Chakraborty of Vidyasagar University, who started his professional career from the Sripat Singh College in early 90's. At the start of his lecture, he thanked Principal of the college for inviting him in the seminar and recollected his fond memories of the past during his brief stay at the college. He then started delivering his talk and brilliantly described the importance of mega diversity of Sundarban in keeping ecological balance and presented some beautiful slides to the audience. The students in the seminar hall enjoyed the power point presentation to the fullest. He took an hour to finish his lecture and also answered a few questions from the audience.

Next, Dr. Amit Chakraborty of Cental University of Rajasthan was asked to deliver his presentation. He talked about the application of mathematical science in biology to improve agro-ecosystems. He stressed on modeling of nitrogen limitation and enrichment in agricultural soil for increasing crop yield. The idea was quite novel which sparked interests in everybody present in the seminar hall. He also expressed his

serious concern about the lethal impact of green revolution in India that resulted due use to excessive use of chemical fertilizers in soil. He also shared his ideas about restoring the physico-chemical properties of the natural soil and thus improving the soil health by way of limited use of chemical fertilizers. He also encouraged more and more use of eco-friendly biofertilizers in agricultural fields. An hour long lecture ended with answering some relevant questions from the audience.

Lunch Break and Poster Session

After the nice deliverance of Dr. A. Chakraborty, lunch break was announced at 1.30 pm. The delegates were asked to collect their lunch packets from Room No. 23 by showing their lunch coupons. Mr. Arunava Chowdhury (Asstt. Prof. in Economics) and Mr. Shibu Paul (Asstt. Prof. in Pol. Sc.) neatly performed their duties with regards to giving away lunch packets to the participants. Mr. Babin Kr. Pattanaik (Associate Professor of Sanskrit) and Mr. Shakti Mondal (Asstt. Professor in Geography) also supervised their work at Room No. 23 during the distribution of lunch packets. The lunch packets contained fried rice with chicken-masala which was quite delicious and appreciated by all the delegates. A mineral water bottle of 500 ml was also served to each of the delegates along with their lunch packets. Several dustbins were well placed at different floors of the college for throwing away the packets after finishing the lunch meal. It took 45 minutes to complete the lunch session. The poster session kicked off at 2.00 pm. A total of 12 posters were displayed properly in Room No. 1. The delegates had a keen look on every posters displayed in the room. It was worth mentioning that students of different colleges also presented posters and got very much enthusiastic about participating in the seminar.

Post lunch lecture session of the seminar

After the lunch break, the seminar programme resumed at 2.30 pm. The post lunch session of the seminar started with the lecture of Dr. Zahed Hossain of Kalyani University who talked about the effects abiotic stress on crop plants. He precisely described the effects of arsenic pollution on maize and presented hardcore research data to elaborate the cellular response to the metal toxicity and its corresponding recovery mechanisms. The presentation was greatly appreciated by the faculty members present in the seminar hall and he satisfied all the queries of the audience in the interactive session after finishing nearly an hour long lecture. The last lecture of the day was delivered by Dr. Suniti Kr. Mandal, Rtd. Associate Professor of Botany, Sripat Singh College. He is also a popular science activist and a writer. He took all the pain to come to the department even after so many years of his retirement to deliver his speech on biodiversity and its conservation which the students and the other faculty members present in the hall liked mostly. His lecture was easy to grasp the very basic concepts of biodiversity hotspots and in-situ, ex-situ conservation. His effortless deliverance was the centre of attraction for the day. He delivered his entire lecture in lucid English and during interaction with the students, he spoke Bengali. He presented some slides showing self clicked pictures of rare flora and fauna from different parts of India. He also announced the publication of the 3rd vol. of his famous book titled "Common Indian Herbs and Shrubs- A pictorial Documentation" by the end of the year. He finished his lecture within 45 minutes. Closing session of the seminar At the fag end of the seminar, the speakers were presented with the certificate of appreciation by the principal of college Dr. Shamsuzzaman Ahmed. Dr. Suchetana Mukherjee who had been

conducting the programme brilliantly since the morning announced the very next two day long DST-sponsored seminar titled “Environmental Sustainability: Issues and Challenges” to be held on 20-21st Mar. 2020 at Sripat Singh College. She urged the present delegates to participate in the upcoming seminar as well. Next, vote of thanks was given by convener of the seminar Dr. Roushan Islam (HoD and Assistant Professor in Botany, Sripat Singh College). He expressed indebtedness to president of the governing body. He also expressed gratitude to the principal of the college for stretching unconditional support. He also thanked the chairman of Jiaganj-Azimganj Municipality for extending financial help to the college for organizing the seminar. Dr. Islam also acknowledged the tireless performance of the members of the organizing committee who left no stone unturned to make the seminar a grand success. He also thanked all the eminent speakers of the seminar and the delegates who had come from different parts of the states and also from other states. Lastly, he appreciated the efforts of the students of the college for successfully pulling off the seminar. The seminar got concluded with the official declaration by the principal of the college at 4.15 pm. Certificates were issued to each of the participants of the seminar.

A One Day International Webinar on Revisiting Sustainable Strategies for a Self-Reliant Rural India post COVID-19 pandemic was organised by Department of Geography, in association with Internal Quality Assurance Cell (IQAC), Sripat Singh College, Jiaganj, Murshidabad, WB, India Affiliated to University of Kalyani, Nadia, West Bengal, India on 18th of July 2020.

Covid 19 has thrown before us challenges in all spheres of our lives from food production, health care, education, our social lives and connectivity. Considering this crisis the emphasis for self reliance in rural sector is crucial.

The webinar had eminent speakers from India and abroad who spoke about the crisis and emphasized for self reliance in rural area through development of smart villages. Key services like Education, health, clean water for drinking and sanitation, ICT connectivity for distance learning, capturing more of agricultural value chain, modern e-health services were all discussed. There were about 80 participants who logged in to listen to the interaction by distinguished resource persons. The welcome address was given by Principal Sripat Singh College Dr. Shamsuzzaman Ahmed who expressed his delight and offered his whole hearted support and encouragement for such an outstanding endeavor by the department. He welcomed all speakers and expressed his gratitude to them for their consent to deliver their thoughts online.

Professor Vibhas C. Jha delivered the key note lecture on how geoinformatics is gradually changing the Indian rural space and helping villages to gear up to the demands of modern times. Dr. Parthasarathi Chakraborty discussed the issue of wetland space conversion due to human encroachment and how the wetland eco systems are gradually being converted for economic gains. He suggested some non farm techniques for successful enterprise that would be beneficial for both wetland ecosystems and human source of incomes. Dr. Adel Sefehri discussed about how COVID 19 is gradually harming our environment on macro and micro scales and measures to combat them. Sri Souhardo Roy spoke about effective solid waste disposal methods that can be adopted to combat COVID 19 related generated waste. Segregation at source is absolutely necessary to initiate recycling effectively.

The Chairman of the session thanked all followed by the Convenor Dr. Sucheta Mukherjee who thanked all her colleagues in the department and the institution, The Principal, IQAC Co Ordinator Sri Babbin Kumar Pattanik, Sri Biplob Bhuiyas – Department of Computer for all help extended unreservedly.

One Day International Webinar on Revisiting Sustainable Strategies for a Self-Reliant Rural India post-COVID-19 Pandemic

Organized by
Department of Geography, Sripat Singh College, Jiaganj, West Bengal
In collaboration with IQAC
Inaugural Address by Dr. Shamsuzzaman Ahmed (Principal)

COVID-19 Pandemic and self-reliance:

The COVID-19 pandemic has changed the world in many ways. Of the several implications (as mentioned), the closure of health, the grinding down of the economy and social welfare have taken the world by. The severe impact of the pandemic is visible across all the sectors of the economy, but its effect on marginalized sections, women and children has been immense in India. Social and economic stress caused by lockdown has multiple impacts. Travel restrictions, loss of livelihoods, limited healthcare facilities and adaptation in regular communication, as hospitals have had to restrict and limit seeing the population. Moreover, social distancing with friends and family, the closure of places of entertainment and leisure, closure of educational institutions have all led to increased stress and frustration among the common man. The movement of migrant workers to their hometowns due to unemployment or loss of livelihoods is one of the most and highlighted issues in this pandemic where millions have been rendered unemployed and stranded without money, food and shelter, compromising the country's hygiene to return to their villages and several meeting with accidents and deaths on their way. Unemployment has rendered the important segment of our economy in dire straits. For all countries bearing the impact of COVID-19 the most affected is rural health and has hit the economy deeply. Long-term planning and proactive efforts of individuals, communities, governments, national and international organizations to not only fight this terrible deadly virus is needed but also to build up resilience. Policy response to the pandemic to deal with health and the commercial economy is the need of the hour. The need for self-reliance originating from our rural sector to supplement the economy will help to create the backbone in the country viz., health, education, and employment. Finding the psychological and social factors among people and promoting strategies to deal with the situation are also required. What governmental policy to combat the pandemic and encourage self-reliance in rural economies is needed. Rural sector are the backbone of any economy being located in the primary segment of economic sector.

1. Key Note: Prof. VC. Jha (Professor, Dept. of Geography, Vice-Chancellor, Santalalal Institute) Revisiting Sustainable Strategies for a self-reliant rural India post-COVID-19 Pandemic

Speaker Introduction: Ex-Vice-Chancellor TERU, Bangalore, India
Dr. Dhanraj NATAYO - DST, Madis Cell
Former President, Uday Khanna
Vice-Chancellor (A, Central University),
Santoshnagar, Barhosa, West Bengal, India
2. Moderation (First) Dr. Partha Sarathi Chakraborty
Speaker Introduction: Former Chief Scientist (Rural)
WB DST, Madis, India
Former Geologist (SE, MIDC), Govt. of India

Topic: S & E Interventions in Selected Perspectives Towards Sustainable Livelihoods

3. Moderation (Second) Adel Sefehri (Associate Professor)
Speaker Introduction: Member of Executive Association of Geographers (I) (BAG)
Member of Eco Boards and A&E Land Commission
Member (Executive Committee) of IAGAGI 2011-2017
Ferdowsi University of Mashhad, Mashhad, Iran

Topic: COVID-19 and Environmental Sustainability

4. Moderation (Third) Maiti Sankar Chakraborty (SPD)
District Project Officer, ICLEI South Asia
City Assocn, Corp. CITIES, 5th post Municipal Corporation,
Jalpaiguri, West Bengal, India

Topic: Basic Service Delivery in the Backdrop of Covid-19

One day International Webinar on “Recent Trends in Biotechnology and Structural Biology”

One Day International Webinar on
Recent Trends in Biochemistry and Structural Biology
2nd of August, 2020

Jointly Organized By:
Department of Molecular Biology and Biotechnology
Sripat Singh College, Jiaganj, West Bengal.

Eminent Resource Persons

Dr. Subhojit Dutta
ICAR-Central Research Institute
For Jute and Allied Fibres
Topic: Biochemistry & biophysics of
genome modification: CRISPR-Cas9
& beyond.

Dr. Rakesh Chatterjee
Umea University,
Umea, Sweden
Topic: Structural aspects of
protein X-ray diffraction
technique: A basic idea.

Chairperson
Dr. Shamsuzzaman Ahmed
Principal, Sripat Singh College

IQAC Coordinator
Shri. Babli Kumar Pattanaik
Sripat Singh College

Programme Schedule
11:00 am-11:10 pm- Welcome Address by Joint Convener
11:10 am-11:20 pm- Address by IQAC Coordinator
11:20 am-11:45 pm- Inaugural Address by Chairperson
11:45 am-12:00 pm- Lecture by Dr. Subhojit Dutta
12:30 am-12:45 pm- Interaction with students
12:45 am-02:00 pm- Lunch break
02:00 am-02:45 pm- Lecture by Dr. Rakesh Chatterjee
02:45 am-03:00 pm- Interaction with students
03:00 am-03:15 pm- Valedictory by Convener

Organizing Committee
Dr. Abhishek Basu (Convener)
Mr. Debjani Mandal (Joint Convener)
Mrs. Sayantani Basu (Organizing Secretary)
Mr. Bibhas Bhattacharyya (Member)
Mrs. Manali Biswas (Member)

Important Dates and Time
Last date of registration- 31st of July, 2020
Date of webinar- 2nd of August, 2020
Time of Webinar- 11:00 am- 03:00 pm
Lunch Break- 12:45 pm- 02:00 pm

Primary target of the seminar is undergraduate and postgraduate students, Faculty members and research scholars engaged in research in the field of Biotechnology are also encouraged to participate in the seminar.

E-certificate will be issued only to those participants who would attend all the sessions of the programme and submit the feedback form after completion.

Mode of Delivery
Google Meet

Click to Register
(No registration fee)

All the correspondence should be addressed to: seminarbbt.scollege@gmail.com

An International Webinar on ‘Recent Trends in Biochemistry and Structural Biology’ was organized by department of Molecular Biology and Biotechnology, Sripat Singh College on 02nd of August, 2020 from 11.00 AM onwards. Dr. Abhishek Basu, Assistant Professor of Department of Molecular Biology and Biotechnology was the convener of the seminar. Dr. Shamsuzzaman Ahmed, Principal, Sripat Singh College was the chairperson. Around 150 participants, including some science faculties of different Colleges and Universities, research scholars of different institutes and undergraduate and post graduate students from Zoology, Botany and Molecular Biology & Biotechnology Departments of Colleges and Universities, participated in the webinar. There were two lectures delivered in the webinar. One lecture was given by Dr. Subhojit Dutta, Scientist, ICAR-Central Research Institute for Jute and Allied Fibres, India and the other lecture was given by Dr. Rakesh Chatterjee, Scientist, Umea University, Umea, Sweden. The

inaugural lecture of the seminar was given by Dr. Shamsuzzaman Ahmed. Dr. Subhojit Datta talked about the significance of CRISPR-Cas9 in biochemistry and biophysics of genome modification. Dr. Rakesh Chatterjee focused on structural aspects of protein X-ray diffraction technique. Both the speakers interacted with the students and answered their queries.

**International Webinar on
Recent Trends in Biotechnology
11th of May, 2021**

Organized By:
Department of Molecular Biology and Biotechnology,
Sripat Singh College, Jiaganj, West Bengal
in collaboration with IQAC

Eminent Resource Person

Dr. Supratim Dey
Associate research specialist
University of California (Merced)
Topic:
Circadian clock of cyanobacteria

Chairperson

Dr. Shamsuzzaman Ahmed
Principal, Sripat Singh College

IQAC Coordinator

Dr. Babin Kumar Pattanaik
Sripat Singh College

Programme Schedule
9:30 am- 9:35 am- Introduction of the Speaker
9:35 am- 9:40 am- Inaugural Address by the Chairperson
9:50 am- 10:00 am- Address by the IQAC Coordinator
10:00 am- 11:00 am- Lecture by Dr. Supratim Dey
11:00 am- 11:10 am- Interaction with the students
11:30 am- 11:35 am- Valedictory by the Convener

Organizing Convener
Ms. Debjani Mandal (Convener)
Dr. Abhishek Basu (Joint Convener)
Mrs. Shobana Basu (Organizing Secretary)

Important Dates and Time
Last date of registration: 07th of May, 2021
Date of the webinar: 11th of May, 2021
Time of the webinar: 9:30 am- 11:35 am

Ministry Inauguration of the webinar
It is an honor and privilege for the students, faculty members and research scholars engaged to research in the field of Biotechnology and also encouraged to participate in the webinar.

**Ministry of Education
Google Meet**

**Click to register
No registration fee**

E-certificates will be issued only to those participants, who would attend the complete webinar and submit the feedback form.

All the correspondence should be addressed to: sssainarbitr@scollege@gmail.com

An International Webinar on ‘Recent Trends in Biotechnology’ was organized by department of Molecular Biology and Biotechnology, Sripat Singh College on 11th of May, 2021 from 09.30 AM onwards. The online seminar was attended by more than 100 participants and positive feedback with constructive criticism was received from them. The webinar was inaugurated by Principal, Sripat Singh College Dr. Shamsuzzaman Ahmed. IQAC coordinator, Sripat Singh College Babin Kumar Pattanaik shared his wisdom. Resource person was Dr. Supratim Dey, Associate Research Specialist, University of California (Merced). Dr. Dey gave a lucid and interesting lecture on Circadian clock of Cyanobacteria and interacted with the participants (specially with the students) in vernacular language. The entire Webinar was hosted by Dr. Abhishek Basu (Joint Convener), assistant professor, Dept. of Molecular Biology and Biotechnology, Sripat Singh College. Ms. Debjani Mandal (Convener), assistant professor and head, Dept. of Molecular Biology and Biotechnology, Sripat Singh College gave the valedictory speech

About the Sripat Singh College

Sripat Singh College, established in 1949, is a college in Jiaganj, in Murshidabad district, in the state of West Bengal in India. It offers undergraduate courses in arts and sciences and postgraduate course in Bengali only. It is affiliated to University of Kalyani. Blessed be forever the great name of Sripat Singh Dugar, the magnanimous Sitambar Jain of this town, who made his dream of establishing a college come true on August 1, 1949. The college was raised to Degree standard in 1951, in terms of Govt. rules. Sripat Singhji donated land adjacent to the building also donated beforehand. With his co-operation, much more land was purchased in 1958. In 1959 a large sum of financial assistance for building construction was available from U.G.C. and also from the W.B. Government.

Academic activities were transferred here in August, 1961 and the ancestral out-house of Sripat Singhji, i.e. the old building of the college was named as the 'Administrative Building'. The motto of the college is 'Unity in diversity'.

Theme of the Webinar

Starting from the Vedas till globalized-Post-Modern Era, Sanskrit upholds the intellectual traditions for preserving knowledge and for supporting human life and society. The achievement of Contemporary Sanskrit Literature is being questioned by some critics. As a matter of fact, they are much less acquainted with the development of Sanskrit literature that grew after Panditraj Jagannatha. The latter half of the nineteenth century marks the beginning of a new era in Sanskrit literature. Many of the modern Sanskrit writings are qualitatively of such high order that they can easily be treated at par with the best of the works in other contemporary languages. It is also noted that more than 3000 Sanskrit works were composed in the period after Indian Independence (i.e., since 1947) alone. The enormous quantity of the creative Sanskrit works of last three centuries encompasses all forms of literature and variety of genres. In the present proposed International Webinar, an attempt will be made to discuss on different emerging trends of both content and style in Contemporary Sanskrit Literature.

Sub Themes

- Recent Trends in Contemporary Sanskrit Poetry
 - New Trends in Contemporary Sanskrit Drama
 - Recent Trends in the field of Contemporary Sanskrit Short Stories
 - Development of Sanskrit Metres and Alamkaras in Contemporary Sanskrit Literature
 - Sanskrit Christian Literature & Sanskrit Muslim Literature
- Post Modernity in Contemporary Sanskrit Literature

Theme Address

Mr. Tutan Barman
Convenor,
Assistant Professor & HOD,
Dept. of Sanskrit, Sripat Singh College

It is very interesting to say most of the people think that Sanskrit means The Ramayana, The Mahabharata, The Vedas etc. They take only Kalidasa, Vasa, Bhavabhuti as the litterateurs of Sanskrit Literature. They say Sanskrit is a dead language strongly. People think the Sanskrit language and it's literature have no relevance with the present culture and society. They think 19th, 20th, 21st Centuries are mere the era of undignity and ruin.

Those who bear such conception are nothing but blind despites having twoeyes and it is proved. They even don't know that with the time being like other languages Sanskrit Literature have become the mirror of society and time.

It is known to us that every literature has a same characteristic as it is flowing and dynamic like a river. And through this dynamic flow literature comes out as a reflection of socio-political contemporaneity because literature is not only the mirror of our society but also of the documentation of human life. To be very brief Sanskrit Literature is not an exception regarding the above. So, Corruption, Unemployment, Dowry, obstacles relating Education, Patriotism, Nationalism, Pain of a black girl etc have become the subject matter to the many genre of Sanskrit Literature.

And on this topic a number of moral writings were composed. Besides these Western sonnet, Japanese Tanka, Haiku, Korean Sijo etc have been written in Sanskrit. According to many genre nowadays Sanskrit Literature have become the bond of Tradition and Innovation.

NEW TRENDS IN MODERN SANSKRIT LITERATURE IN 21st CENTURY

Dr. Harshadev Madhav
Renowned Sanskrit Poet & Sahitya Akademi Awardee

In 2018, the complete history from Vedas to Modern Sanskrit up to 2017 by Radhavallabh Tripathi has been published in four vols. It narrates Modern Sanskrit literature in a wide landscape. In 2012, 'योगीश्वरीकण्ठसूत्रम्' of Dr. H. Madhav has been published which gives new directions to poetics. Young Poets like Kaushal Trieni, Narayan Dash, Rushiraj Jani, Pravcen Pandya lead Sanskrit to new age. Rushiraj writes short stories in 'चतुरदूरभूमि आकाशः' in which he writes stories on mobile, computer and environment. His 'रक्तपाटीधारिणी माता' applies new techniques of Whatsapp, Flash Back, Just a pose etc. Paramananda Jha and Balaram Shukla have written a poetry collection 'सधुसन्देशम्' by SMS. 'तत्र जवाधरमन्मरेखासु' of Aruna Ranjana Mishra gives poems of Post Modernism. Dr. Rushiraj Jani translates Dalit Kavya and Adivasi Kavita named 'सूर्यगेहे रमिसा' and 'धनुरातनीमि'. Thus the streams of modern Indian poetry enter in to Sanskrit. During the period, 'प्रचेतसमहाकाव्यम्' by Tripathi or original works of Hari Dutt Sharma have been created though both are unpublished. 'द्रोक्षवली', 'कल्पवल्ली' and 'गीतगद्गागीमुखम्' are three anthologies published by Sahitya Akademi, which show richness of Sanskrit. Hundreds of poems are created on 'Carona'. It seems new sensibility of Sanskrit. During March, 2020 to July, 2020, the present writer wrote new Haikus on Face Book which were translated in 13 languages on the same day. They are translated in to Latin by Prof. Marcello Melli of Padova, Italy. It shows the international fame of Modern Sanskrit Literature.

POST-MODERNISM IN CONTEMPORARY SANSKRIT LITERATURE

Professor Arun Ranjan Mishra
Visvabharati, Santiniketan, W.B.

Post-modernism in the world literature was conspicuous in the last decade of the 20th century. Just as modernism in literature appeared after the 16th century industrialization, post-modernism arrived on the boat of globalization - although the post-World War-2 situations are its real breeders.

The post-modernist writings are influenced by the ideas of a post - society. They support mass art as against the class art. Post- modernists reject meta-narratives, but use their fragments for nourishing their writings. Utilization of very untraditional metaphors, fancies and images happens to be the most ostensible feature of such writings. 'Difference' or postponement of meaning is another well-known feature of it too.

When post-modernity relates to a state of society, post-modernism refers to a particular sensibility in literature which appeared in post-modernity that arrived with doubts on the Enlightenment discourse of modernity and with the rejection of the centrality of power or talent. Feminism is another symptom of both post-modernity and post-modernism.

In the contemporary Sanskrit literature, post-modernism became clear in the writings of Dr. Harshadev Madhav, Prof. Keshab Chandra Dash and Prof. Arun Ranjan Mishra - although we find its roots in some poems of Prof. R. V. Tripathi and in some dramas of Prof. Rajendra Mishra. However, a detailed discussion on it is yet to start in the arena of Sanskrit scholars.

POST-COLONIAL THOUGHT:A STUDY FROM MODERN SANSKRIT SHORT STORIES

Dr.Santigopal Das
Assistant Professor of Sanskrit,
BuniadpurMahavidyalaya, WB

The origin and development of modern Sanskrit stories basically divided in three stages – 1. The stories from 19th century to later period of this century, 2. The stories before independence and 3. The stories of after independence. Here we see a clear difference from traditional writings. There are contemporary contents, new styles, new concepts, analytical discussions etc. in these. Here also we see reflection of the concept of post – colonial thought. Post- colonial thought is the new discussion element of this and upcoming centuries. Post - colonialism does not mean here after colonial ages and thinking wordy, it indicates new thoughts from traditional activities, believes etc. I will discuss here briefly mentioning some elements from modern Sanskrit short stories. In this discussion I will say how some stories of modern Sanskrit literature reflect the concept by their characters. SivanathAcharjya's *BanahabiKaestita*, Poet TarupadaBhattacharjya's *Mattreyi*, Poet Narayanan Das's *shuranaFalamyaham*, *SafalaVart*, Poet Rakesh Das's *Eka Tamara* are mentionable stories of this discussion.

ALLOPANISAD- A GLIMPE

Dr. Biswarup Mandal,
Assistant Professor in Sanskrit,
Hooghly Mohsin College

Allopanisad, Allah Upanisad, the AllaSukta or the Alla Hymn or Mohamad Upanisad these five names are same *Upanisad*. This is a sacred book of untrustworthy origin believed to be written during mohamedan reign in India about 15th to 16th century. Most probably, it was written in the period of great emperor Akbar. The *Allopanisad* does not appear in the characteristic style of other *Upanisad*. We find the similarity in the style of *Rigveda* Mantras. We do not know what kind of *Upanisad* is this; some scholars may be like the present *Allopanisad* which is supposed to belong to *Atharvaveda*. But we did not found this *Upanisad* in any authentic edition of *Atharvaveda*. Swami Dayananda Saraswati in his *Satyartha Prakash* elucidated that the *Allopanisad* was not part of the *Upanisad* family and it did not even appear in the *Atharvaveda*. The famous *Muktikaranon*, which was given by Rama to Hanuman as the list of authentic 108 Upanisads did not contain *Allopanisad*. Most scholars viewed that had been written during Akbar' reign.Akbar as a messenger or prophet of God, described the *Allopanisad*. The *Upanisad* has fifteen mantras or verses. It began and ended up with Great Allah.

ABOUT THE DEPARTMENT

The Department of History, Sri Pat Singh College was established in the year 1949 offering only the General course. With the passing of time and the gradual demand of the society as well as the success rate of the students of general course led the college authority to open the Honours course in the year 1967-68. At present, the Department has five full time teachers. Since the very beginning, the department proved as one of the efficient departments of the college by producing a number of bright students, who have made their mark in different fields. And the trend did not stop anywhere and presently more than 200 students are placed in various corners of the country, which is a matter of pride for the department. And the students, in particular, are at the centre of this academic exercise.

INDIA'S ANCIENT HISTORY

India's history and culture is dynamic, spanning back to the beginning of human civilization. It began with a mysterious culture along the Indus River and in farming communities in the southern lands of India. The history of India is punctuated by constant integration of migrating people with the diverse cultures that surround India. Available evidence suggests that the use of iron, copper and other metals was widely prevalent in the Indian sub-continent at a fairly early period, which is indicative of the progress that this part of the world had made by the end of the fourth millennium BC. India had emerged as a region of highly developed civilization.

IMPORTANT INSTRUCTIONS

1. The Meeting ID and Password to join the program will be sent in the registered email id of the participant in due course.
2. Participants are requested to keep them in "mute mode" during session time. This will enable you to hear clearly without noise interference.
3. If participants want to ask any question to any speaker during the program, they would use the chat box section to write in their question.
4. It is to be noted that the organizers reserve the right to mute or remove any participant(s) at its own discretion during the time of the program.

E-Certificate will only be awarded to the participants who will submit feedback form regularly and complete all the necessary formalities.

Report on Seven-day international online lecture series & workshop on “Revisiting the History of India & Beyond” on 2-8 September 2020 organized by the Department of History, Sripat Singh College, Jiaganj, Murshidabad in collaboration with the Department of History, Jangipur College in association with IQAC Sripat Singh College & Jangipur College

The Department of History, Sripat Singh College, Jiaganj, Murshidabad in collaboration with the Department of History, Jangipur College in association with IQAC Sripat Singh College & Jangipur College organized a Seven-day international online lecture series & workshop on “Revisiting the History of India & Beyond” on 2-8 September 2020. There was a good response from the scholars as well as faculties from different corners of the country. More than 2700 candidates register for the programme and more or less 2300 participants attended daily. The workshop was started with the welcome address of Dr. Shamsuzzaman Ahmed, principal of Sripat Singh College. Prof (Dr.) Sankar Kumar Ghosh, Vice Chancellor, University of Kalyani was the chief guest of the workshop. The VC delivered an introductory speech in the inaugural session. Sri Babin Kumar Pattanaik, Coordinator, IQAC, Sripat Singh College and Bikash Kumar Panda, IQAC Coordinator, Jangipur College delivered a speech thereafter.

On the first day, the technical session started at 4:30 pm. with the topic “Partition of India 1947 and its impact on Bengal & North Eastern frontier state” by Prof. Sajal Nag, Department of History, Assam University. The first day ended with vote of thanks by Dr. Sharmila Datta Banik, Department of History, Sripat Singh College.

The second day of the workshop began with a welcome address by Dr. Shamsuzzaman Ahmed, principal of Sripat Singh College. There were three topics scheduled in the technical session. The lectures on different topics were delivered by Dr. Rakhal Chandra Nath, Department of History, University of Kalyani, Prof. Amita Kumari, Department of History, Sido Kanhu Murmu University and Prof. Alok Kumar Ghosh, Department of History, University of Kalyani. The second day ended with vote of thanks by Shri Keshab Chandra Ghosh, Department of History, Jangipur College.

The third day of the workshop was started with a welcome address by Dr. Shamsuzzaman Ahmed, principal of Sripat Singh College. The schedule of the this was same as the second day of the workshop. In this day the technical session was started with the lecture on ‘Refugee Crisis (1947-71)’ by Prof. Dibyaduti Sarkar, Department of Bangladesh & Liberation War Studies, Noakhali Science & Technology University, Noakhali. Then the remaining two lectures were delivered by Dr. Subhas Biswas, Department of History, University of Kalyani and Prof. Rajkumar Kothari, Department of Political Science, Vidyasagar University on their concerned topics. The third day ended with vote of thanks by Sushendu Biswas, Department of History, Jangipur College.

Same as the third day, the fourth day was started with a welcome address by Dr. Shamsuzzaman Ahmed, principal of Sripat Singh College and ended with vote

of thanks by Shri Sagar Simlandy, Department of History, Sripat Singh College. On this day, the technical session contained three lectures on different topics which were delivered by Prof. Nishat Manzar, Department of History, Jamia Millia Islamia University, Prof. Siddhartha Guha Roy, Department of History, Vivekananda College, and Dr. Tista Das, Department of History, Bankura University.

The fifth day of the workshop was scheduled as the previous days. Dr. Shamsuzzaman Ahmed, principal of Sripat Singh College started the workshop with the welcome address. Then the technical session started with a lecture by Prof. Rajsekhar Basu and so on. This day ended with vote of thanks by Shri Somnath Bhattacharyya, Department of History, Sripat Singh College.

The sixth day started as usual and ended with vote of thanks by Shri Swapan Kumar Sarkar, Department of History, Sripat Singh College. Between this, the technical session was carried on with the lectures on different topics which were delivered by Prof. Pradip Kumar Dutta, Centre for Comparative Politics and Political Theory, JNU, and Prof. Anil Kumar Sarkar, Department of History, University of Kalyani.

The final day of the workshop was started like the previous day and the technical session also was carried on with the topic 'Trend in World politics since 1945: A Broad Overview' and 'Tribes and Forest in Indian History: A Long View of Time' by Prof. (Dr.) Kausik Bandyopadhyay, Department of History, West Bengal State University, and Prof. Arun Bandyopadhyay, The Asiatic Society Kolkata. The session ended with vote of thanks by Dr. Sharmila Datta Banik, Department of History, Sripat Singh College. Finally, the Seven-day workshop was completed successfully with the Valedictory session by both Principals and conveners' lectures.

TWO DAY INTERNATIONAL WEBINAR ON GLOBALIZATION, DEMOCRACY AND NATIONALISM: PAST, PRESENT AND FUTURE OF INDIA

Date - 7th & 8th October, 2021
Time- 3:00 PM onwards

Organized by Department of History and IJAC, Sripat Singh College. In collaboration with Department of History, University of Kalyani.

Chief Guest: Dr. J. H. Kumar, Assistant Professor, Department of History, University of Kalyani, Kalyani, Nadia, West Bengal, India.

Guests: Dr. Shikha Kumar, Assistant Professor & IJAC Coordinator, Department of Sanskrit, Sripat Singh College, Jiaganj, Murshidabad, West Bengal, India. Dr. Shantanu Ghosh, Principal, Sripat Singh College, Jiaganj, Murshidabad, West Bengal, India.

Resource persons: Dr. Anil Kumar, Assistant Professor, Department of History, University of Kalyani. Dr. Sandip Halder, Professor, Department of History, Aligarh Muslim University. Dr. M. Shah Nazim Siddiqui, Associate Professor, Department of History, South Eastern India University. Dr. M. Shikha Banerjee, Lecturer, School of History, University of St. Andrews, UK.

Organizing Committee: Dr. Anil Kumar, Assistant Professor, Department of History, Sripat Singh College. Dr. Shikha Kumar, Assistant Professor, Department of History, Sripat Singh College. Dr. Sagar Ghosh, Assistant Professor, Department of History, Sripat Singh College.

Advisory Committee Members: Dr. Binayak Bhattacharya, SAC, Department of History, Sripat Singh College. Dr. Rajan Kumar Das, TES, Sripat Singh College.

Chairpersons: Dr. Shikha Kumar, Associate Professor, Department of History, Sripat Singh College. Dr. S. K. Ghosh, Associate Professor, Department of History, University of Kalyani.

About the Department: The Department of History, Sripat Singh College was established in the year 1999 offering only the General course. With the passing of time and the gradual demand of the society as well as the success rate of the students of general course led the college authority to open the Honours in the year 1997-98. At present, the Department has four full time teachers & one SACT. Since the very beginning, the Department proved as one of the efficient departments of the college by producing a number of bright students, who have made their mark in different fields. And the trend did not stop anywhere and presently more than 200 hundred students are placed in various corners of the country, which is a matter of pride for the DEPARTMENT.

The seminar was held on 24th of January, 2022 from 12 noon onwards. Chairperson of the seminar was Dr. Shamsuzzaman Ahmed, Principal Sripat Singh College, Jiaganj and Coordinators were Dr. Abhishek Basu and Ms. Debjani Mandal both from Department of Molecular Biology and Biotechnology, Sripat Singh College. Honorable resource persons were Dr. Ankur Bikash Pradhan, Examiner of Patents & Designs, The Patent Office, Kolkata, DPIIT, Ministry of Commerce & Industry, Govt. of India and Dr. Sagar Khan, who is also of Patents & Designs, The Patent Office, Kolkata, DPIIT, Ministry of Commerce & Industry, Govt. of India. Both the speakers delivered lecture on designing and applying for patents, they give special emphasis to case studies and interaction with the audience.

The seminar ended with valedictory from the coordinators and received positive feedback from the participants with constructive suggestions.

One-day National Seminar on “Blood: Transfusion - Transmitted Infection and Public Health Response”

Blood : Transfusion - Transmitted Infection and Public Health Response

Organised by:
NSS, Sripat Singh College
in collaboration with
Department of Molecular Biology and Biotechnology

Sponsored by:

Red Ribbon

Resource Persons:

Dr. Banalata Adhikari
MBBS, North Bengal Medical College.

Dr. Akash Banerjee
B.M.O.H. Jiaganj Rural Hospital

Demonstration of Laboratory Diagnostic Techniques

Date: 16th Feb, 2022 Time: 11:00 am to 2:00 pm Venue: Rabindra Sabha Griha.

1. A Seminar was organized by Department of Molecular Biology and Biotechnology and NSS unit Sripat Singh College on Blood: Transfusion –Transmitted and Public Health Response on February 16, 2022 from 11 PM onwards.

Around 110 participants were a part of this seminar which included Faculty members from Sripat Singh College, NSS Volunteers and Students from different discipline of science like Zoology, Botany, Molecular Biology and Biotechnology, Chemistry etc.

Dr. Abhishek Basu, Head and Assistant Professor from Department of Molecular Biology and Biotechnology was the convener of this conference, Whereas, Ms. Debjani Mandal Assistant professor from the same department was the Co-Convener. Mr. Asis Kumar Sen, Teacher-in-Charge, Sripat Singh College was the Chairperson.

Resource person of this seminar was Dr. Banalata Adhikari, MBBS, North Bengal Medical College and Dr. Akash Banerjee, B.M.O.H, Jiaganj Rural Hospital. While Dr. Adhikari was predominantly talking about blood related disorders, Dr. Akash Bannerje interacted with the participants about commonly found infections transmitted through blood and the cases found in Jiaganj Rural Hospital.

Dr. Abhishek Basu, Convener of the seminar delivering his lecture

Both the resource persons provided preventive measures for blood related infections. Dr. Abhishek Basu was talking about the molecular mechanisms underlying blood related disorders. The General feedback of the audience was highly positive. Special liking was observed for a small check up camp set up by Department of Molecular Biology and Biotechnology. Participants were highly appreciative about this camp, which included blood pressure and blood sugar estimation, determination of Blood group etc. The seminar ended in a very positive note.

One-day State Level Webinar on “Clinical Biotechnology”

State Level Webinar on Clinical Biotechnology 26th of June, 2022

Organized By:
Department of Molecular Biology and Biotechnology
Sripat Singh College, Jiaganj, West Bengal
in collaboration with IQAC

Eminent Resource Persons

1. Dr. Sanmitra Ghosh

Department of Biological Sciences
Adamas University

**Topic: Role of Nosocomial Infection
in Cancer and other Patients with
Immunodeficiency**

1. Dr. Suchandrima Ghosh

I.P.G.M.E & R and S.S.K.M. Hospital

**Topic: Medical and Pharmaceutical
Biotechnology in Advancement of
Modern Healthcare System**

Chairperson

Prof. Asis Kumar Sen
Teacher-in-Charge
Sripat Singh College

IQAC Coordinator

Prof. S. Bandyopadhyay
IQAC Coordinator

Programme Schedule

9:00 am- 9:10 am- Inaugural Address by the Chairperson
9:10 am- 9:20 am- Address by the IQAC Coordinator
9:20 am-10:20 am- Lecture by Dr. Sanmitra Ghosh
& Interactive session
10:20 am-11:20 am- Lecture by Dr. Suchandrima Ghosh
& Interactive session

Organizing Committee

Ms. Debjani Mandal (Convener)
Dr. Abhishek Basu (Joint Convener)
Mrs. Sayantani Basu (Organizing Secretary)
Mrs. Manali Biswas (Organizing Secretary)
Dr. Bibhas Bhattacharyya (Member)

Important Date and Time

Last date of registration- 24th of June, 2022
Date of the webinar- 26th of June, 2022
Time of the webinar- 9:00 am- 11:30 am

Mode of Delivery
Google Meet

E-certificate will be issued only
to those participants, who would
attend the complete webinar and
submit the feedback form.

Primary target of the
webinar is undergraduate
and postgraduate
students. Faculty
members and research
scholars engaged in
research in the field of
Biotechnology are also
encouraged to participate
in the webinar.

I. A State Level Webinar on ' Clinical Biotechnology', was organized by Department of Molecular Biology and Biotechnology, Sripat Singh College, Jiaganj, West Bengal in collaboration with IQAC on 26th of June, 2022 from 9.00 AM

Ms. Debjani Mandal, Assistant Professor from Department of Molecular Biology and Biotechnology was the convener of this conference, Whereas, Dr. Abhishek Basu Assistant professor from the same department was the Co-Convener. Mr. Asis Kumar Sen, Teacher-in-Charge, Sripat Singh College was the Chairperson.

This State level webinar, attended by more than 80 participants, was mainly focused towards different aspects of Clinical Biotechnology. Eminent resource person Dr. Sanmitra Ghosh, Department of Biological Sciences, Adamas University delivered her lecture on the topic : Role of Nosocomial Infection in Cancer and other Patients with Immunodeficiency. Whereas, the other resource person Dr. Suchandrima Ghosh, I.P.G.M.E & R and S.S.K.M. Hospital spoke on the Topic: Medical and Pharmaceutical Biotechnology in Advancement of Modern Healthcare System.

One-day Seminar on “Celebrating 200 Years of “Father of Genetics””

Celebrating 200 Years of “Father of Genetics”

Organized By:
Department of Molecular Biology and Biotechnology,
Sripat Singh College, Jiaganj, Murshidabad
in collaboration with IQAC

Inaugural Address (11:30 am-11:45 am):
Prof. Asis Kumar Sen
Teacher-in-Charge,
Sripat Singh College

Address (11:45 am-12:00 pm):
Prof. Sumit Kr. Banerjee
Coordinator, IQAC,
Sripat Singh College

Lecture (12:00 pm-1:00 pm):
Dr. Abhishek Basu
Assistant Professor
Department of Molecular Biology and
Biotechnology

Lecture (1:00 pm-2:00 pm):
Mr. Debraj Roy,
Assistant Professor
Department of Botany

Date - 27-07-2022
Time - 11:30 am to 2:00 pm
Venue - Rabindra Sachagriha, Sripat Singh College

A Seminar on 'Celebrating 200 Years of “Father of Genetics”' was organized by the Department of Molecular Biology and Biotechnology, Sripat Singh College on 27th of July, 2022 from 11.30 AM onwards. Ms. Debjani Mandal, Head of the Department of Molecular Biology and Biotechnology was the convener of the seminar. Prof. Asis Kumar Sen, Teacher-In-Charge, of Sripat Singh College was the chairperson. Around 50 participants, including some science faculties of Sripat Singh College and students mainly from Zoology, Botany and Molecular Biology & Biotechnology Department participated in the seminar.

There were two lectures delivered in the seminar, One given by Dr. Abhishek Basu, Assistant Professor, Department of Molecular Biology and Biotechnology and the other given by Mr. Debraj Roy, Assistant Professor, Department of Botany. The inaugural lecture of the seminar was given by Prof. Asis Kumar Sen. While Dr. Abhishek Basu mainly talked on the life of Gregor Johann Mendel and his research, Dr. Debraj Roy focused on the experimental techniques performed by Mendel during the course of his research. Both the speakers interacted with the students and answered their queries.

Convener Report : Dr. Ranabir Nath

A one day departmental seminar was held in Bengali Department (UG&PG) in our college on 26/09/2022 for celebrating the bi- century of Pandit Iswarchandra Vidyasagar and dramatist Ramnarayan Tarkaratna .Before starting the ceremony Prof.Dr Ranabir Nath and departmental students garlanded the idol of Vidyasagar situated near to our college. The main function was held in Rabindra Sabhakakhya .Sri Ashish Kumar Sen ,the then principal in charge of our college delivered the introductory speech. Professor Sri Sumit Bandyopadhyay delivered lecture on the life and works of Vidyasagar. Dr Ranabir Nath, departmental head, lectured on the writings of first dramatist of Bengali literature, Ramnarayan Tarkaratna .The function ended with the conclusionary speech of Dr.Amal Modak. About eighty students of our department and many from other department were present. Other Professors Dr.Mitali Tikader,Dr Subrata Das,Chaitali Upadhyay ,Ambalika Sarkar, Tanmoy Malakar were present and participated in the seminar. No registration fee was charged for participation.The seminar ends with grand success.

<p>AIMS AND SCOPE: We do not inherit earth from our ancestors, we borrow it from our children. Environmental sustainability is a responsible interaction with the environment to avoid depletion or degradation of natural resources and allow for long-term environmental quality. The practice of environmental sustainability helps to ensure that the present day's population are met without jeopardizing the ability of future generations to meet their needs. But, despite the increased popularity of the use of the term "Sustainability" the possibility has been not continues to be a question. With this background our Sripat Singh College is going to organize the seminar having the title: Environmental Sustainability: Issue and Challenges. It is our effort to create awareness and explore different strategies to promote economic, social and agricultural advancement in ways avoiding environmental degradation on 18 and 19 November, 2022.</p> <p>OUR COLLEGE: Sripat Singh College, the first Govt. Sponsored co-educational degree college in West Bengal, started its journey in 1949 as the "Central High" of great Sripat Singh Degree. Now, this institution has been well established all over the region. It provides quality education to students of the state of West Bengal by virtue of its strict sincerity and efficiency. It has now become an ideal centre of learning, education and research. It offers courses in almost all subjects of science and humanities including Biotechnology and Environmental Science. regular BA course in Bengali, B.Tech (IT) and PG courses under DUAL, K.U., Patna (Bihar) University. Distance Education centre and Noida (Uttar Pradesh) University are running successfully in its college with regular coaching and program classes. Besides, one-year certificate course in biotechnology. Post-Tenure Culture affiliated to University of Kalyani is conducted by Department of Botany, spreading knowledge among the mass.</p> <p>PATRONS:</p> <ol style="list-style-type: none"> 1. PROGRAMME SCHEDULE

TWO DAYS NATIONAL SEMINAR ON

ENVIRONMENTAL SUSTAINABILITY: ISSUES AND CHALLENGES

18-19 NOV. 2022

SPONSORED BY

DEPARTMENT OF SCIENCE & TECHNOLOGY AND BIOTECHNOLOGY, GOVT. OF WEST BENGAL

JOINTLY ORGANISED BY DEPARTMENT OF BOTANY & CHEMISTRY,

SRIPAT SINGH COLLEGE.

Day-1

Time	Session Details
10.00-11.00 AM	Registration
11.00-11.30 AM	Lighting of lamp and felicitation of dignitaries
11.30-11.45 AM	Welcome address by seminar convenor
11.45-12.00 AM	Address by the Teacher-in-charge Sri Asis Kumar Sen
12:00-12:15 PM	Address by Secretary and IQAC Co-ordinator Mr. Sumit Bandopadhyay
12:15-12:30 PM	Address by Teacher Council Secretary Dr. Sharmila Dutta Banik
12.30-1.30 PM	Technical session 1: I L-1: Dr. Arun Kumar, Senior Scientist & Principal Investigator, Mahavir Cancer Sansthan & Research Centre, Patna Bihar (Keynote speaker)
1:30-2:30 PM	Lunch Break
2.30-3.30 PM	Technical session 2: IL-2: Dr. Sudha Gupta, Associate Professor, Department of Botany, University of Kalyani
3.30-4.15 PM	Oral presentation
4.15-4:30 PM	Valedictory Session

Day-2

Time	Session Details
11.00-11.15 AM	Refreshment
11.15-11.30 AM	Welcome address by seminar joint-convenor
11.30-12.30 AM	Technical session 3 I L-4: Dr. Debasis Jana, Former Associate Professor, Department of Botany, Sripat Singh College
12.30-1.30 PM	I L-5: Prof. Zahed Hossain, Department of Botany, University of Kalyani
1:30-2:15 PM	Lunch Break
2:15-3:15 PM	Technical session 4 I L-6: Dr. Sukumar Mal, Former Associate Professor, Department of Chemistry, Sripat Singh College
3:15-4.15PM	Poster presentation
4:15-4:30 PM	Valedictory Session

TECHNICAL SESSION OF DAY1:

The technical session started with the invited lecture of the key note speaker Dr. Arun Kumar, Senior Scientist & Principal Investigator, Mahavir Cancer Sansthan & Research Centre, Patna Bihar. His talk focussed on arsenic poisoning in the Gangetic plains of Bihar causing an increased frequency in human cancer. Thus, emphasized on significant policy making which may ensure the control of the disease.

The second lecture of the technical session was delivered by Dr. Sadha Gupta, Associate Professor, Department of Botany, University of Kalyani. The topic of her talk was "Urban beekeeping towards achieving environmental sustainability". The topic was very interesting which emphasized on urban beekeeping using stingless bees. Urban beekeeping helps in pesticide free pollination of wild cultivars on one hand and on the other honey and other products obtained from bees ensured food security and nutrition. Hence, urban beekeeping is sustainable in many ways.

Technical session for the 1st day concluded with oral presentation of the registered delegates, research scholars and students both from colleges and university.

TECHNICAL SESSION OF DAY 2:

The technical session for the second day started with the lecture of Dr. Debasis Jana, Former Associate Professor, Department of Botany, Sripat Singh College. His talk focused on "Rapid population as an environmental issue". The topic dealt with major issues related to rapid surge of population and how it is affecting the environment. The different issues discussed included land degradation, ground water and surface water contamination, loss of floral species, air pollution and global warming.

The second lecture of the day was delivered by Prof. Zahed Hossain, Department of Botany, University of Kalyani. He is an eminent scientist, JSPS Invited Fellow (NICS, Japan), DST-BOYSCAST Fellow (NICS, Japan), Visiting Researcher (UJI, Spain), DST FAST TRACK Young Scientist and a recipient of Shiksharatra Award (2021). He discussed the role of microRNAs as key regulators of plant responses to Abiotic stress.

The concluding lecture of the day was delivered by Dr. Sukumar Mal, Former Associate Professor, Department of Chemistry, Sripat Singh College. His topic highlighted one of the burning issues i.e., the gases that causes Global Warming and the mechanism of conversion of light energy to heat energy.

CONCLUSION:

Sripat Singh College, Jiaganj, Murshidabad organized **WBDSTBT SPONSORED NATIONAL SEMINAR ON ENVIRONMENTAL SUSTAINABILITY: ISSUES AND CHALLENGES** on 18-19 NOV, 2022 at Rabindra Sabhaghar. The proceedings were started by Dr Suchetana Mukherjee, Convener and Dr Indranil Saha, Joint Convener while Sri Axis Sen, Teacher-in-charge, Sripat Singh College delivered the welcome address along with Sri Sumit Bandopadhyay, Coordinator, IQAC and Dr Sharmila Dutta Banik, Teacher Council Secretary, expressed his heartfelt gratitude to all the participants who have come all the way to Murshidabad to take part in this seminar. The seminar hosted a galaxy of dignitaries to deliberate on the growing calamity that the environment is facing and varied ways to combat the problem. The inaugural session saw the presence of Dr. Arun Kumar, Senior Scientist & Principal Investigator, Mahavir Cancer Sansthan & Research Centre, Patna, Bihar who delivered the keynote address on Arsenic poisoning causing increased human cancer disease burden in the Gangetic plains of Bihar. In Technical session 2, Dr Sudha Gupta from Dept of Botany, University of Kalyani delivered her talk on urban beekeeping towards achieving environmental sustainability. On Day 2 the proceedings were started by Dr Debasis Jana, former Associate Professor, Dept of Botany, Sripat Singh College, who gave his talk on correlating rapid population with environmental issue while Prof. Zayed Hossain, Dept of Botany, University of Kalyani delivered his talk on microRNAs as key regulators of plant responses to Abiotic stress which was a very illuminating talk. Dr Sukumar Mal, former Associate Professor, Dept. of Chemistry, Sripat Singh College, deliberated on gases which cause global warming in the last session. This was followed by poster presentation by some of the delegates and students. The 2-day seminar drew to a close with valedictory session and photo sessions with the participants and students. Needless to say, that going by the response by the participants, the seminar was a grand success.
