Report on 60 Hours Digital Training Program on Employability Enhancement

The 60 Hours Digital Employability Enhancement Program initiated on 21st August 2021 at Sripat Singh College was a resounding success the program aimed to provide students with the necessary skills and knowledge to succeed in the competitive job market.

The program featured a range of sessions, including communication skills, resume building, interview techniques, and other soft skills essential for employability. These sessions were conducted by experienced trainers and industry professionals who provided valuable insights and practical knowledge to the participants.

A total of 75 students actively participated in the program and expressed their appreciation for the opportunity to enhance their employability skills. The feedback from the participants was overwhelmingly positive, with many expressing gratitude for the valuable information they received during the program.

After the program, a certificate distribution ceremony was held to recognize and reward students for their active participation and commitment. This ceremony served as a fitting end to an insightful and empowering program that has equipped students with important skills for their future careers.

Overall, the 60 Hours Employability Enhancement Program at Sripat Singh College was a resounding success. It provided students with valuable insights into various aspects of employability while also equipping them with practical knowledge that will be invaluable as they enter into their professional careers.

As we look towards future initiatives, it is clear that programs like this are essential in preparing our students for success in today's competitive job market. Sripat Singh College remains committed to providing opportunities like this that empower our students and enhance their prospects in their chosen field

15-08-2021

Dear Mr. Simlandy,

We are pleased to inform you that Sripat Singh College is organizing an Employability Enhancement Program aimed at equipping our students with the skills necessary to excel in today's competitive job market. Your expertise and experience in this field are well recognized and we believe that your contribution as a Resource Person would be invaluable to the success of this program.

We would be honored if you could share your insights and guide our students as they prepare for their future careers. The program is scheduled to take place from 15-10-2020 and we would appreciate your presence throughout the training program

Kindly let us know your availability at your earliest convenience. We look forward to your positive response and the opportunity to benefit from your knowledge.

Thank you for considering our invitation.

Report on 60 Hours Digital Training Program for Competitive Exam

On October 16, 2021, a 60 hours duration training session was initiated as part of the Competitive Exam Preparation Program for the academic year 2021-22. The session aimed to equip students with essential strategies and skills needed to excel in various competitive exams. A total of 65 students actively participated in the training, reflecting a strong interest in furthering their academic and professional aspirations.

The training covered a wide range of topics crucial for competitive exams, including quantitative aptitude, logical reasoning, verbal ability, and general knowledge. Expert trainers with extensive experience in competitive exam coaching led the sessions, providing students with practical insights and effective techniques for tackling different sections of the exams.

Participants were introduced to time management strategies, which are vital for completing exams within the stipulated time frame. Additionally, the trainers emphasized the importance of regular practice and provided guidance on creating effective study schedules. Mock tests were conducted to simulate real exam conditions, helping students assess their performance and identify areas needing improvement.

The interactive nature of the training encouraged students to engage actively, ask questions, and clarify doubts. This participatory approach not only enhanced their understanding but also boosted their confidence in approaching competitive exams.

Feedback from the participants was overwhelmingly positive, with many expressing appreciation for the comprehensive coverage of topics and the practical tips shared by the trainers. The session concluded with a motivational talk, inspiring students to stay focused and committed to their preparation.

In summary, the training session initiated on December 16, 2020, was a valuable experience for the 65 students who attended, providing them with the necessary tools and confidence to succeed in competitive exams. The program's success underscores the importance of such initiatives in helping students achieve their academic and career goals.

Report on 60 Hours Digital Training Program on Employability Skill

The 60 Hours Digital Employability Enhancement Program initiated on 27 November 2021 at Sripat Singh College was a resounding success the program aimed to provide students with the necessary skills and knowledge to succeed in the competitive job market.

The program featured a range of sessions, including communication skills, resume building, interview techniques, and other soft skills essential for employability. These sessions were conducted by experienced trainers and industry professionals who provided valuable insights and practical knowledge to the participants.

A total of 78 students actively participated in the program and expressed their appreciation for the opportunity to enhance their employability skills. The feedback from the participants was overwhelmingly positive, with many expressing gratitude for the valuable information they received during the program.

After the program, a certificate distribution ceremony was held to recognize and reward students for their active participation and commitment. This ceremony served as a fitting end to an insightful and empowering program that has equipped students with important skills for their future careers.

Overall, the 60 Hours Employability Enhancement Program at Sripat Singh College was a resounding success. It provided students with valuable insights into various aspects of employability while also equipping them with practical knowledge that will be invaluable as they enter into their professional careers.

As we look towards future initiatives, it is clear that programs like this are essential in preparing our students for success in today's competitive job market. Sripat Singh College remains committed to providing opportunities like this that empower our students and enhance their prospects in their chosen field

Report on 60 Hours Digital Training Program for Competitive Exam

On February 26, 2022, a 60 hours duration training session was initiated as part of the Competitive Exam Preparation Program for the academic year 2021-22. The session aimed to equip students with essential strategies and skills needed to excel in various competitive exams. A total of 63 students actively participated in the training, reflecting a strong interest in furthering their academic and professional aspirations.

The training covered a wide range of topics crucial for competitive exams, including quantitative aptitude, logical reasoning, verbal ability, and general knowledge. Expert trainers with extensive experience in competitive exam coaching led the sessions, providing students with practical insights and effective techniques for tackling different sections of the exams.

Participants were introduced to time management strategies, which are vital for completing exams within the stipulated time frame. Additionally, the trainers emphasized the importance of regular practice and provided guidance on creating effective study schedules. Mock tests were conducted to simulate real exam conditions, helping students assess their performance and identify areas needing improvement.

The interactive nature of the training encouraged students to engage actively, ask questions, and clarify doubts. This participatory approach not only enhanced their understanding but also boosted their confidence in approaching competitive exams.

Feedback from the participants was overwhelmingly positive, with many expressing appreciation for the comprehensive coverage of topics and the practical tips shared by the trainers. The session concluded with a motivational talk, inspiring students to stay focused and committed to their preparation.

In summary, the training session initiated on February 26, 2022, was a valuable experience for the 65 students who attended, providing them with the necessary tools and confidence to succeed in competitive exams. The program's success underscores the importance of such initiatives in helping students achieve their academic and career goals.

Report on the Online Career Orientation Program:

Sripat Singh College successfully organized an online Career Orientation Program for the 1st semester students on September 17, 2021. This event aimed to provide students with a comprehensive understanding of various career paths and the necessary steps to achieve their professional goals. The program, attended by 97 students, was inaugurated by the Principal, Dr. Shamsuzzaman Ahmed.

In his opening address, Dr. Shamsuzzaman Ahmed highlighted the importance of early career planning and the role of such orientation programs in guiding students towards making informed career choices. He encouraged students to explore various fields and opportunities, emphasizing the importance of aligning their career goals with their interests and skills.

The program featured a series of interactive sessions conducted by experienced faculty members and industry experts. These sessions covered a wide range of topics, including emerging career trends, skill development, and the significance of internships and extracurricular activities in building a strong resume. The speakers provided insights into different career options available to students, such as technology, healthcare, education, and the arts, helping them to identify and pursue their areas of interest.

Students were also introduced to the concept of career mapping and goal setting, with practical tips on how to create a personalized career plan. The sessions were designed to be engaging and informative, encouraging students to actively participate and ask questions. The program included success stories and experiences of alumni who have successfully navigated their career paths, offering inspiration and guidance to the attendees.

The event concluded with a Q&A session where students had the opportunity to seek advice and clarification from the speakers. The feedback from participants was overwhelmingly positive, with many appreciating the depth of information and the practical advice provided.

Overall, the Online Career Orientation Program was a significant success, fulfilling its objective of equipping 1st semester students with the knowledge and tools to make informed decisions about their future careers. Sripat Singh College remains committed to supporting its students in their career development journey through such initiatives.

Report on the Online Career Orientation Program:

Sripat Singh College successfully organized an online Career Orientation Program for the 1st semester students on December 19, 2021. This event aimed to provide students with a comprehensive understanding of various career paths and the necessary steps to achieve their professional goals. The program, attended by 93 students, was inaugurated by the Principal, Dr. Shamsuzzaman Ahmed.

In his opening address, Dr. Shamsuzzaman Ahmed highlighted the importance of early career planning and the role of such orientation programs in guiding students towards making informed career choices. He encouraged students to explore various fields and opportunities, emphasizing the importance of aligning their career goals with their interests and skills.

The program featured a series of interactive sessions conducted by experienced faculty members and industry experts. These sessions covered a wide range of topics, including emerging career trends, skill development, and the significance of internships and extracurricular activities in building a strong resume. The speakers provided insights into different career options available to students, such as technology, healthcare, education, and the arts, helping them to identify and pursue their areas of interest.

Students were also introduced to the concept of career mapping and goal setting, with practical tips on how to create a personalized career plan. The sessions were designed to be engaging and informative, encouraging students to actively participate and ask questions. The program included success stories and experiences of alumni who have successfully navigated their career paths, offering inspiration and guidance to the attendees.

The event concluded with a Q&A session where students had the opportunity to seek advice and clarification from the speakers. The feedback from participants was overwhelmingly positive, with many appreciating the depth of information and the practical advice provided.

Overall, the Online Career Orientation Program was a significant success, fulfilling its objective of equipping 1st semester students with the knowledge and tools to make informed decisions about their future careers. Sripat Singh College remains committed to supporting its students in their career development journey through such initiatives.

Report on the Online Career Orientation Program:

Sripat Singh College successfully organized an online Career Orientation Program for the 1st semester students on January 24, 2022. This event aimed to provide students with a comprehensive understanding of various career paths and the necessary steps to achieve their professional goals. The program, attended by 82 students, was inaugurated by the Principal, Dr. Shamsuzzaman Ahmed.

In his opening address, Dr. Shamsuzzaman Ahmed highlighted the importance of early career planning and the role of such orientation programs in guiding students towards making informed career choices. He encouraged students to explore various fields and opportunities, emphasizing the importance of aligning their career goals with their interests and skills.

The program featured a series of interactive sessions conducted by experienced faculty members and industry experts. These sessions covered a wide range of topics, including emerging career trends, skill development, and the significance of internships and extracurricular activities in building a strong resume. The speakers provided insights into different career options available to students, such as technology, healthcare, education, and the arts, helping them to identify and pursue their areas of interest.

Students were also introduced to the concept of career mapping and goal setting, with practical tips on how to create a personalized career plan. The sessions were designed to be engaging and informative, encouraging students to actively participate and ask questions. The program included success stories and experiences of alumni who have successfully navigated their career paths, offering inspiration and guidance to the attendees.

The event concluded with a Q&A session where students had the opportunity to seek advice and clarification from the speakers. The feedback from participants was overwhelmingly positive, with many appreciating the depth of information and the practical advice provided.

Overall, the Online Career Orientation Program was a significant success, fulfilling its objective of equipping 1st semester students with the knowledge and tools to make informed decisions about their future careers. Sripat Singh College remains committed to supporting its students in their career development journey through such initiatives.
