The College firmly believes that the faculty is the most important resource of the institution. In order to meet the growing academic needs, it has become imminent for faculty members to acquire new knowledge and diverse skills. The IQAC of the college, therefore, encourages and supports its faculties for capacity building through need-based training programmes. There are mandatory requirements to attend Professional Development Programmes, Orientation /Induction Programmes, Refresher Course, Short Term Course in the specified fields of profession for career advancement of the faculties. It endeavours to improve the performance of faculty members in education and research. It enables them to develop their knowledge and skills, which are eventually integrated into teaching. Moreover, each of these courses is a mandatory criterion for CAS. With such an arrangement, the quality of the programmes is taken care.

In the year 2021-22, the total number of faculty who have attended professional development programs, viz., Orientation Program, Refresher Course, Short Term Course, Faculty Development Programs are 117 (one hundred seventeen) among them 87 (eighty seven) are teaching staff and 30 (thirty) are non-teaching staff.
