Conclusion

The certificate course on “Elementary Mathematics for Competitive Examination” at Sripat Singh College has concluded, leaving a lasting impact on the students. Spanning from 27 March to 29 June 2024, the course provided a comprehensive understanding about basic concept of Mathematics for Secondary level. The course witnessed enthusiastic participation from M.A, B.A & B.Sc pursuing students. The blended learning approach, combining online and offline components, ensured effective learning and engagement with the course material. The 75% attendance requirement and successful completion of assessments ensured a thorough grasp of the subject matter, culminating in the award of certificates to deserving students. Feedback from students highlighted their satisfaction with the course content, though suggestions for more classes noted for future improvements. Overall, the course has enriched students' knowledge and empowered them. We extend our heartfelt thanks to Dr. Kamal Krishna Sarkar, Dr Sagar Simlandy IQAC Coordinator, Course Coordinator Dr. BM Uzzal Afsan , all the resource persons who enriched our students and our all the students for their valuable contributions and dedication, making the course a resounding success.
