

# Add-on Certificate Course: "Foundation of a Sustainable Future through Chemistry"

Session 2023-2024, Sripat Singh College, Jiaganj

The Department of Chemistry at Sripat Singh College successfully organized and conducted an innovative add-on certificate course titled "Foundation of a Sustainable Future through Chemistry." This 30-hour comprehensive program catered to undergraduate students from both science and humanities streams, aiming to ignite interest and foster a deeper understanding of chemistry's significance in everyday life.

৩। ৩. <i>Md. Habib</i>		৩। ১০.	১৭। 17.
৪। ৪. <i>Manirul Mandal</i>		৪। ১১.	১৮। 18.
৫। ৫. <i>Manirul Mandal</i>		৫। ১২.	১৯। 19.
৬। ৬.		৬। ১৩.	২০। 20.
৭। ৭.		৭। ১৪.	২১। 21.

নং / No. রেজল্যুশন / Resolution Adopted

- It was unanimously decided that project work/dissertation work will be distributed to the 6<sup>th</sup> Sem Chemistry Hon. students within one week through lottery system.
- 3<sup>rd</sup> Sem (Hono., GE and PCC) practical exam will be held according to the following schedule:
 

Paper	Date & Time	Examiner
CC-5-Physical Chemistry	14-03-2024, 12:00 noon	Mr. Abu Raihan + Dr. Raja Ghosh
CC-6-Inorganic Chemistry	15-03-2024, 12:00 noon	Dr. Md. Habib + Dr. Amir Kr. Kundu
CC-7-Organic Chemistry	16-03-2024, 12:00 noon	Mr. Manirul Mandal + Dr. Raja Ghosh
CHEMGP-1 (GE)	19-03-2024, 12:00 noon	Dr. Amir Kumar Kundu + Dr. Md. Habib
CHEMGP-3 (PCC)	20-03-2024, 12:00 noon	Mr. Manirul Mandal + Dr. Amir Kr. Kundu
- Department of Chemistry is going to organize an 'Add on certificate course on 'Foundation of a Sustainable Future through Chemistry' from 4<sup>th</sup> April, 2024. This course will be held in collaboration with IQAC, Sripat Singh College. The duration of this course will be 30 hrs.

SREEMA TRADERS, 45 Benilola Lane, Kolkata - 9, Ph - 2219 3855

**About Our College**

*We must pay our honest tribute to the legendary personality, respected Jomadar Sripat Singh Dugar Ji who founded this college on 1<sup>st</sup> August, 1949 with a view to spread higher education in this remote and backward district of Murshidabad. We are proud of many successful pass-outs of Department of Chemistry, who are now well established in different sectors of the country. The Government grant has helped us to develop a well equipped modern laboratory. This will definitely inspire this department to touch new milestones in the future.*

**Chief Patron:** Dr. Kamal Krishna Sarkar, Principal  
**Course Coordinator:** Dr. Amit Kumar Kundu  
**Organizing Committee:**  
Dr. Raja Ghosh  
Dr. Md. Habib  
Dr. Mrittika Mohar  
Mr. Manirul Mandal  
Mr. Abu Raihan  
Mrs. Ranu Singha  
Mr. Falguni Singha

**Course Details**

**Course Type:** Certificate  
**Duration:** 30 Hrs.  
**Eligibility:** Undergraduate students of both Arts and Science  
**Intake Capacity:** 200  
**Starting Date:** 4<sup>th</sup> April, 2024  
**End Date:** 3<sup>rd</sup> May, 2024  
**Time:** 10 a.m. to 11 a.m. & 5 p.m. to 6 p.m.  
**Last date of Registration:** 3<sup>rd</sup> April, 2024  
**Mode of Classes:** Blended  
**Venue:** Department of Chemistry  
**Registration Link:**  
<https://forms.gle/KWdvcl6HcNqcoHMZB>

After completion of course all successful candidates will be awarded certificates

## Inaugural Session (April 4, 2024)

The inaugural ceremony took place in the Rabindra Sabha Kaksha, graced by the esteemed presence of Principal Dr. Kamal Krishna Sarkar, NAAC Coordinator Dr. Prasenjit Nanda, IQAC Coordinator Dr. Sagar Simlandy and other revered faculty members. The event commenced with a soulful rendition of Rabindranath Tagore's song "আলো আমার আলো ওগো আলো ভুবন ভরা" (Alo Amar Alo Ogo) by Shubhalakshmi Mandal, a final-semester chemistry student. Senior faculty members delivered insightful speeches, elucidating the course's importance from diverse perspectives.

## Inaugural day of Add on Course

### Course Overview

Dr. Kamal Krishna Sarkar highlighted chemistry's rich cultural heritage, tracing its evolution from ancient alchemical experiments. Dr. Prasenjit Nanda provided philosophical insights, connecting chemistry to elemental properties—Kshiti (earth), Ap (water) and Marut (wind)—emphasizing its pivotal role in understanding creation's mysteries. Dr. Amit Kumar Kundu, Head of the Chemistry Department, precisely outlined the course's objectives and prospects. Dr. Mrityika Mohar's inaugural lecture vividly illustrated chemistry's omnipresence, leveraging engaging slides and a memorable song ("Chemistry is everywhere in every walk of life, Chemistry solves the Mystery how we do survive..") emphasizing chemistry's problem-solving capabilities.

The course encompassed diverse, engaging topics:

1. Transition to Greener Approaches: Dr. Amit Kumar Kundu illuminated eco-friendly alternatives.
2. Food Additives and Cleansing Agents: Dr. Md Habib explored chemistry in daily consumption.
3. Drug Chemistry and Cosmetics: Dr. Raja Ghosh elucidated chemistry's role in health and beauty.
4. Chemistry in Everyday Life and Unplanned Discoveries: Dr. Mrityika Mohar highlighted sharp observation's significance in the research field specially mentioning the invention of artificial sweeteners, dynamites.
5. **Practical Applications:** Mr. Abu Raihan and Mr. Monirul Mondal provided hands-on expertise.

### Student Engagement and Feedback

Students from various departments enthusiastically participated, demonstrating keen interest in chemistry's practical applications. The course aligned with the National Education Policy's emphasis on interdisciplinary

knowledge, fostering a holistic learning environment. Students praised the interactive teaching methods and relatable examples.

Attendance sheet (sample copy)

## Valedictory Session (October 5, 2024)

The valedictory ceremony, attended by Principal Dr. Kamal Krishna Sarkar and IQAC Coordinator Dr. Sagar Simlandy, celebrated participants' engagement. Dr. Amit Kumar Kundu congratulated students and announced plans for future add-on courses. Dr. Mrityika Mohar's valedictory lecture poignantly underscored chemistry's endless learning journey, quoting Tagore's "শেষ নাই যে শেষ কথা কে বলবে" (The End is Not the End).

## Outcome and Future Prospects

The add-on course successfully generated enthusiasm and awareness among participants, reinforcing Sripat Singh College's commitment to academic excellence and skill development. Certificates were distributed to participants from various departments, acknowledging their dedication. The Department of Chemistry plans to announce another add-on course schedule soon, further promoting interdisciplinary learning and skill development.

Certificate distribution at the Valedictory session
