Workshop On Waste Management: (14/04/2024)

Waste management or waste disposal includes the processes and actions required to manage waste from its inception to its final disposal. This includes the collection, transport, treatment, and disposal of waste, together with monitoring and regulation of the waste management process and waste-related laws, technologies, and economic mechanisms. Waste can either be solid, liquid, or gases and each type has different methods of disposal and management.

NSS Unit of Sripat Singh College in Collaboration with IQAC organized a Waste Management Workshop on 19th Apr,2024. On that day, the programme was inaugurated by Dr. Kamal Krishna Sarkar, Principal. Dr. Sagar Simlandy (IQAC Co-Ordinator), Dr. Shibu Paul (NSS Program Officer) and all the teaching staff were present in the program.

Dengue Awareness Programme (14/05/2024)

Dengue is a mosquito-borne viral infection, found in tropical and sub-tropical climates worldwide, and mostly in urban and semi-urban areas. There are four Dengue serotypes and it is possible to be infected four times, each time by a different serotype. Most infectious cause only mild flu-like symptoms but they can also develop into a lethal complication called severe dengue which is a leading cause of serious illness and death in some Asian and Latin American countries. Several methods can be used for diagnosis including RT-qPCR, rapid antigen tests for the NS1 protein, and serological assays that detect both IgG and IgM antibodies to the four dengue serotypes.

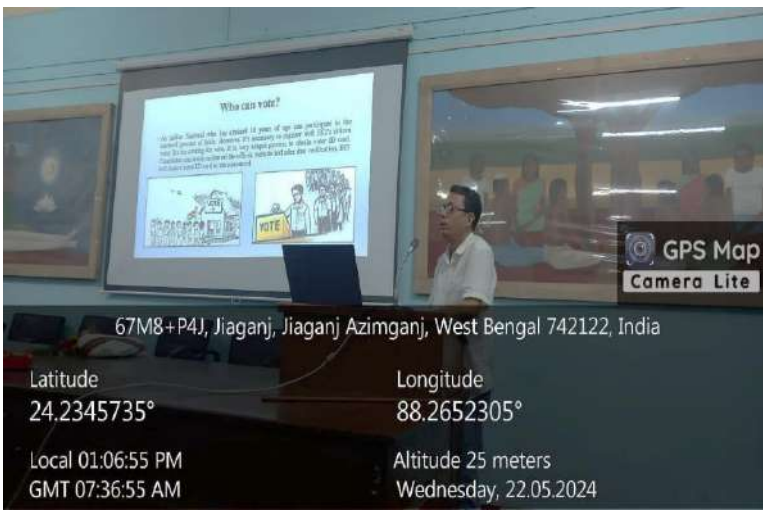

NSS Unit of Sripat Singh College organized a Dengue Awareness programme to make our students aware of the symptoms, causes and diagnosis etc. Dr. Shibu Paul, Programme Officer, delivered lecture on the topic.

Voters Awareness Campaign (22//05/2024)

A lot of people want to vote, but many are not aware of its need and how to cast it. This is where voting awareness comes into play. The idea of voting awareness is to help people understand the importance of voting. Voting is an important way for voters to control their government. It is a method for citizens to express what they want from their leaders by raising awareness about voting. This will lead to better governance and what everyone wants – a democracy that is free, fair and representative.

NSS Unit of Sripat Singh College organized a Voters Awareness program to make the students aware of their right to vote on 22nd of May,2024. Dr. Kamal Krishna Sarkar, Principal, Dr. Abdul Kader Ahammed (Asso. Prof.), Dr. Sagar Simlandy (Asst.Prof.) and Dr. Shibu Paul (NSS, Program Officer) were present in the programme. Mr. Pranab Biswas (Asst.Prof, Rani Dhanya Kumari College) was the resource person of the day.

World No Tobacco Day Observation: (31/05/2024)

Tobacco use is linked to at least 20 cancer types and is the leading preventable cause of cancer globally. The tobacco industry's marketing practices contribute to approximately 2.4 million deaths annually due to cancer, making it a significant public health concern. So, NSS Unit of Sripat Singh College in Collaboration with District Tobacco Cell, Murshidabad jointly organized an awareness program at our college on 31st of May, 2024. The main objective of the program was to make our student aware of the side effects of tobacco.

World Environment Day Observation: (05/06/2024)

This World Environment Day, stakeholders must urgently act to accelerate land restoration, improve drought resilience, and combat desertification. Environmental factors play a major role in human health, with direct and indirect impacts on the economy and society. As per need of the environment, NSS Unit of Sripat Singh College took a small initiative to spread awareness among the students.

International Yog Day Celebration: (21/06/2024)

Yoga is the ancient way to attain physical, mental, and spiritual practice. Primarily originating in India, the word 'yoga' is derived from Sanskrit, meaning to unite. This unity signifies the ultimate union of the body with consciousness and thus attaining definitive peace.

Recognizing the universal appeal of Yoga, on December 11 2014, the United Nations proclaimed June 21 to be marked as the International Day of Yoga.

It was first started by our present Prime Minister, Shri Narendra Modi. He celebrated Yoga Day for the first time on June 21 in 2015, after which Yoga Day started being celebrated all over the world on June 15, and it turned into International Yoga Day. Since then, Yoga Day has been celebrated every year by the Ministry of Ayurveda, Yoga, Naturopathy, Unani, Siddha, Sowa-Rigpa and Homoeopathy (AYUSH) in India.

NSS Unit of Sripat Singh College organized a Yoga Camp to celebrate International Yoga Day.

Van Mahotsav: (18/07/2024)

Van Mahotsav, 'Forest festival', is an annual one-week tree-planting festival in India which is celebrated in the first week of July. It is a great traditional Indian festival that reflects Indian culture and heritage to honor and love mother earth by planting trees, by creating awareness of nature's beauty, and by fostering an environment to promote the concept of reduce, reuse, and recycle. The words "Van" and "Mahotsav" are derived from Sanskrit language. "Van" which can also be spelled as "Vana" refers to "Forest", and "Mahotsav" is a combination of "Maha" meaning great and "Utsav" meaning festival. So the literal meaning of "Van Mahotsav" can be deduced to "A Great Forest-Festival", an event which is celebrated by the Indian community throughout the world with the central theme of planting trees.

NSS Unit of Sripat Singh College also observed the day by planting 100 saplings at our college surroundings.
