Study Visit to Tea Garden and Other Scientific Institute
Session 2022-2023

Notice

Study visit to Chengmari Tea Gardens and Tea Research Institute of North Bengal and other Scientific Institute for demonstration of tea processing, production and preservation under the paper 5th Semester CCR11-MBBT 501(P) and the determination of physiochemical parameter of soil, production of bio pesticide etc. under 3rd semester CCR6- MBBT 302(P) and 1st semester CCR1-MBBT 101(P).

It is notified for all of 1st semester, 3rd semester and 5th Semester of MBBT Honours students of Sripat Singh College that "Study Visit" will be held on 23rd March 2023 at Chengmari Tea garden and Tea Research Institute and others Scientific Institute, West Bengal for demonstration of tea processing, production and preservation, tea paste and the determination of physiochemical parameter of soil, production of bio pesticide etc. under Course Code Paper 1st semester CCR1-MBBT 101(P), CCR6- MBBT 302(P), CCR11-MBBT 501(P). Interested students may contact the undersigned for their participation.

Report

A study visit was held on 23rd march, 2023 at Chengmari Tea Gardens and Tea Research Institute of North Bengal and other Scientific Institute. 1st semester, 3rd semester and 5th semester MBBT(H) students along with the faculty members of Department of Molecular Biology and Biotechnology, Sripat Singh College, Jiaganj had visited the labs and Tea Research Institute for 3 days at Chengmari tea garden and Tea Research Institute of North Bengal and other Scientific Institute.

The Objective:-

1. Demonstration of tea processing and preservation process.
2. Students learned the process for production of bio pesticide, and demonstrated the process of determination of physiochemical parameter of soil.
3. Students also learned the process of preservation of tea.
4. They gained knowledge of different types of teas and the differences in their quality. Students

also learned about the paste of tea plant and how to apply the natural product for pest control.

Total No. Participants- 17

Name of the Participants-

SudipMondal, NirmalyaSarkar, Soham Das, Biswarup Nandi, ShiladityaBiswas, ArshadSk, TusharGhosh, Md. FarhadHossain, Arup Mondol, SayanHaldar, SarthakSarkar, Samir Islam, Sahil Ahmed, DipanSingha, ShrabanHaldar, BarnaliBajpayee, Subham Das.

Sample Certificate

This is to certify that, 3rd semester student of department of Molecular Biology and Biotechnology, Sripat Singh College has successfully completed the three days “Study Visit” held on 23rd March, 2023 at Chengmari tea garden and Tea Research Institute of North Bengal and other Scientific Institute. He has learned the following

- 1) Processing of Tea leaves and their preservation
- 2) Different Types of Tea leaves on the basis of their quality
- 3) Production of bio pesticide, application and control of bio pesticide for protection of tea plants.
- 4) Estimation of soil quality parameters.

Study Visit at Birla Industrial & Technological Museum
Session 2022-2023

Notice

Study Visit at Birla Industrial & Technological Museum on 13th of January, 2023

It is notified for all 5th semester Honours students of Dept. of Molecular Biology and Biotechnology that a study visit will be held on 13th of January, 2023 at Birla Industrial & Technological Museum, Ballygunge, Kolkata, West Bengal, under the course code CCR12- MBBT 502 (P). Interested students may contact the undersigned for their participation.

Report

Four 5th semester honours students of Dept. of Molecular Biology and Biotechnology, along with the faculty members of the department, participated in the one day study visit at Birla Industrial & Technological Museum, Ballygunge, Kolkata, West Bengal on 13th of January, 2023. Students visited the biotechnology laboratory of BITM, Kolkata to learn the basic concepts of biotechnology and had an overview of application of different biotechnological processes in day to day life. They also learned about some basic genetics, cell biology and other related topics through an interesting quiz game. They also gained the basic and advanced concepts of Recombinant DNA Technology and its application in the field of medicine, agriculture, research, etc., through an audio-visual display. Students got ideas about the development of biotechnology and its application from medieval history to modern day world through charts, posters, models, etc. The one day visit encouraged them. They were inspired to learn and apply biotechnology in their day to day life and they could consider biotechnology as a career option in future.

Field Visit/ Project Work/Assignment Submission Report for Session 2022-23

It is informed to all that a submission report of project work, field visit in academic session 2022-23 by the Department of Environmental Science are as follows:-

1st Semester (HONS) AECC Envs Project Submission Report 2022-2023

Topic Names:-

- Study of a Pond Ecosystem of nearby Location.
- Municipal Solid Waste Management.
- Global warming & Ozone layer depletion.
- Water resource with special reference to Ganga Action Plan.

Total No. students submitted: 599

2nd Semester (program) AECC Envs Project Submission Report 2022-2023

Topic Names:-

- Study of a Pond Ecosystem of nearby Location.
- Municipal Solid Waste Management.
- Global warming & Ozone layer depletion.
- Water resource with special reference to Ganga Action Plan.

Total No. students submitted: 1761

6th Semester (HONS) Envs Dissertation project Submission Report 2022-2023

- USES OF MEDICINAL PLANTS OF INDIA IN HUMAN LIFE
- BIOMEDICAL WASTE MANAGEMENT
- IMPORTANCE OF WETLAND CONSERVATION AND PRESENT STATUS OF MIGRATORY BIRDS IN AHIRAN BILL, MURSHIDABAD
- IMPACT OF CHEMICAL PESTICIDES AND FERTILIZER IN AGRICULTURAL FIELDS
- WATER QUALITY MONITORING IN BERHAMPORE AREA OF SURFACE WATER BODY
- PLASTIC WASTE MANAGEMENT
- WASTE WATER TREATMENT
- RENEWABLE ENERGY PRODUCTION AND USES IN INDIA
- GROUND WATER CONTAMINATION AND ASSOCIATED PROBLEMS IN MURSHIDABAD
- MUNICIPAL SOLID WASTE MINIMIZATION

Total number of students- 10

5th & 4th Semester (HONS) Envs Field Study Report Submission 2022-2023

Field Visit To Sillery Gaon And Documentation On Hydroelectric Power Plant

Total number of students- 17

3rd Semester (HONS) Envs Field Study Report Submission 2022-2023

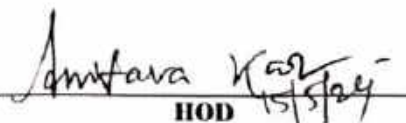

Field Visit To Water Treatment Plant At Azimganj Under Jiaganj-Azimganj Municipality

Total number of students- 07

Sir

Kindly refer to your letter dated 07.11.2022 regarding educational tour. You can visit Power Station with students on 15th of November 2022 at 11 am with these terms and conditions.

1. No boarding, lodging and conveyance will be provided.
2. No remuneration/stipend of any kind will be paid.
3. An undertaking would be taken from the institution on behalf of students and faculty members that during the visit of power station NHPC will not be responsible for any kind of injury/accident and other natural calamity etc inflicted to them.
4. The students and faculty members will not be allowed in the areas where confidential/sensitive information of power station is accessible.
5. Wearing proper shoes in compulsory.
6. Concerned students shall not have any claim for employment in NHPC Limited.
7. Concerned students shall have to abide by the rules and regulations of the NHPC as enforced from time to time.
8. Photography is strictly prohibited.
9. Students and faculty members will carry their I cards.

DESCRIPTION OF THE EXCURSION

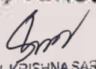

3rd June, 2023

At about 5pm, we gathered at Khagra Ghat Road railway station. From there, in guidance of our teachers, we took Teesta Torsa express at around 6:40pm since it was a 12-hour long journey to our destination, Lataguri, we had to spend the whole night inside the train. At 11pm, we completed our dinner inside the train and we went to our seats at around 11:30pm for sleep. The whole night spent with gossing with my friends and making for.

4th June, 2023

Then at 2:45 am we washed our face after completing brushing, we had some breakfast with tea and biscuits inside the train. At 4:00 am we got down at our destination, i.e. the Mayhaguni station. Then we reached our resort in Lataguri by car which was about some km far from the railway station. We reached the resort at 5:30 am, and after check-in in our room we took rest for a while. Then we went outside to conduct PIT FALL TRAP installation, in guidance of our respected teachers we completed our task by 9:00 am and after that we had some food at around 9:00 am. After taking bath we took rest. We had our lunch at around 1:50 pm and after that around 3:30 pm we went to the auditorium of "GORUMARA NATIONAL PARK" and set out for the core area jeep safari at Gorumara National Park. After about few minutes we reached to the view point, during the journey we saw many animals or birds like – Peacock, various

types of Butterflies , Dears , Monkey etc. After reaching the view point we see the SULT PIT where the animal are come , there we see horn bill , wild pig , dears and many more after sometimes we saw a Rhino. Then cameto hotel we enjoyed a folk dance and then take our dinner and went to our home with my friends and spend whole night by gossiping with them.

5th June 2023.

We started our journey around 5 am from our hotel for the Buffer safari by jeep at Gorumara National Park we complete our safari within 3 hours.

During journey we saw many animal and trees like-

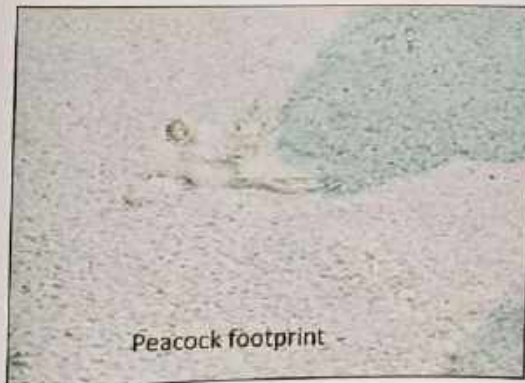

DR. KAMAL KRISHNA SARKA

- 1) Monkey
- 2) Peacock
- 3) Wild buffalo
- 4) We saw various birds that we can't identify them.

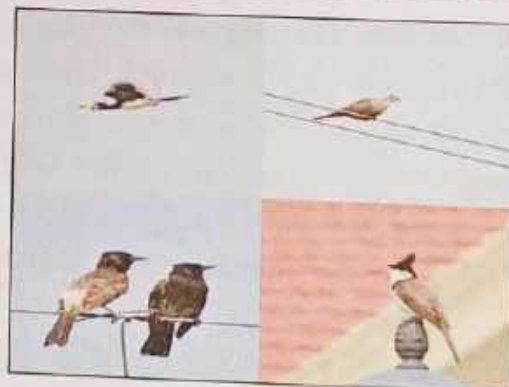

Then we go to "Neora River" where we saw various kind of algae fare larva and also saw the footprint of Bisnoi, fox, peacock. Then we back to our hotel at 9:00 am. Then we go the nearby forest where we collect our pit full complete and back to hotel. After taking our breakfast we go to the auditorium of Gorumara national park and do our quadrate practical where we divide into 4 groups and collects various insects. Then we visit the rescue centre. Then we back to the hotel and take our lunch. After completing lunch at around 2 pm. We identify the sample PIT FALL and quadrate practical.

Peacock

Peacock footprint

6 june,2023.

It was our last day of excursion We had plan to visit murti river,bindu point, jhalong, samsing, rocky island, sautali ganj hanging bridge, chapramari etc. We woke up at 6:00am ,got fresh,took shower and went to dining by 7:30am,for breakfast,we left for scheduled place.We visited this place .yhere we enjoyed the beauty of hills and river.Back to hotel at 8:30 pm. We were tired for our journey throughout the day. We complete our dinner and we fell asleep.
