

2023-24

**ONE-DAY WORKSHOP
ON
CAREER COUNSELING & GUIDANCE**

REPORT

**CAREER DEVELOPMENT
COUNSELLING & PLACEMENT CELL
SRIPAT SINGH COLLEGE**

On June 29, 2024, Sripat Singh College hosted a one-day workshop on Career Counseling and Guidance, organized by the Aikatan Alumni Association in collaboration with the Career Development Counseling and Placement Cell and the IQAC. The event took place at Rabindra Sabhakaksha, Sripat Singh College, and was aimed at providing valuable insights and guidance to students regarding their career paths and opportunities. The workshop commenced at 11:30 AM and brought together a distinguished panel of speakers, including Dr. Kamal Krishna Sarkar, the Principal of Sripat Singh College, who inaugurated the session.

The workshop's agenda included lectures and training sessions on several pertinent topics such as new centralized admission processes, career opportunities post-graduation, and preparation strategies for government jobs. Dr. Prasenjit Nanda, NAC Coordinator, and Dr. Sagar Simlandi, IQAC Coordinator, were instrumental in outlining the benefits of the modern teaching system and the various services offered by the college. Dr. Abhishek Basu, Coordinator of the Career Development Counseling and Placement Cell, emphasized the importance of selecting the right subjects and paths for successful career preparation. Similarly, Dr. Raja Ghosh, Assistant Professor in the Department of Chemistry, provided detailed guidance on subject selection and departmental choices.

Further enriching the event, Dr. Mizanul Haque, President of Aikatan Mancha, discussed the diverse career options available to students. Mrs. Gargi Mishra, a former Mancha member and current teacher, shared insights on setting life goals and navigating career decisions. The event also highlighted the historical traditions of the college through the address of Hon'ble Shri Dwijen Sarkar Mahashay Shripat Singh. The workshop was a testament to the college's commitment to student success, underscoring the importance of well-rounded career guidance.

The success of the workshop was largely attributed to the dedicated efforts of philanthropist Mr. Sourish Pandey, whose support was pivotal in organizing the event. Dr. Sagar Simlandi expertly conducted the proceedings, ensuring a smooth flow of activities. The day concluded with students collectively chanting "Let There Be Light," symbolizing their transition from uncertainty to clarity in their career journeys. Contributions from various speakers, including Golam Nabi Azad, Sushovan Mandal, Shyam Sundar Seth, and Dr. Shubojit Kundu, further enriched the discussions. Overall, the workshop served as a meaningful initiation into the students' future paths, offering them valuable tools and encouragement for their career endeavors.
