**REPORT ON
STATE LEVEL WORKSHOP
ON WASTE MANAGEMENT**

REPORT

**INTERNAL QUALITY ASSURANCE CELL
SRIPAT SINGH COLLEGE**

A one-day State Level Workshop on Waste Management was held on 19th April, Friday, at 12 noon in the Rabindra Sabhagriha of Sripat Singh College. The event was organized by the Internal Quality Assurance Cell (IQAC) and National Service Scheme (NSS) Unit of Sripat Singh College in collaboration with the Jiaganj Ajimganj Municipality.

The workshop commenced with an inaugural speech by Dr. Kamal Krishna Sarkar, the Principal of Sripat Singh College. Dr. Sarkar emphasized the importance of waste management in the context of environmental sustainability and the role of educational institutions in promoting awareness and practices related to waste management.

The program was anchored by Dr. Sagar Simlandy, the Coordinator of IQAC, who ensured the smooth conduct of the workshop.

Notable speakers at the workshop was Rabi Khoas, the Nodal Officer, and Alope Moulik, the Executive Officer, both from Jiaganj Azimganj Municipality. They shared insights into the challenges faced by municipal authorities in waste management and highlighted the importance of community participation in waste segregation and disposal.

Dr. Sanghamitra Mukherjee, the keynote speaker at the State Level Workshop on Waste Management, delivered a comprehensive and insightful speech focusing on innovative approaches to waste management. She highlighted the importance of adopting sustainable practices in waste management to address the environmental challenges posed by increasing levels of waste generation.

Dr. Mukherjee emphasized the need for a holistic approach to waste management, which includes waste reduction, segregation, recycling, and proper disposal. She discussed various techniques and technologies available for effective waste management, such as composting, biogas generation from organic waste, and recycling of plastic and paper.

Furthermore, Dr. Mukherjee emphasized the role of education and awareness in promoting sustainable waste management practices. She stressed the importance of community participation and engagement in waste management initiatives, citing examples of successful community-led waste management projects from around the world.

Overall, Dr. Mukherjee's speech provided valuable insights and practical solutions for addressing the challenges of waste management, inspiring the audience to take proactive steps towards a cleaner and greener environment.

The workshop included interactive sessions and discussions, allowing participants to exchange ideas and experiences regarding waste management. Participants were also provided with participation certificates as a token of appreciation for their attendance and active participation in the workshop.

The event concluded with a vote of thanks delivered by Dr. Shibu Paul, Officer of the NSS unit, who expressed gratitude to all the speakers, participants, and organizers for making the workshop a success. Dr. Paul reiterated the college's commitment to promoting sustainable practices and environmental conservation through such initiatives.

In conclusion, the State Level Workshop on Waste Management served as a platform for knowledge sharing and collaboration among stakeholders from academia, municipal authorities, and the community, with a shared vision of promoting sustainable waste management practices for a cleaner and greener environment.
