Report on One Day State-Level Seminar on Health Awareness

On July 26, 2024, a state-level seminar on health awareness was organized by the Internal Quality Assurance Cell (IQAC) and the National Service Scheme (NSS) Unit of Sripat Singh College, in collaboration with the Student's Health Home, Jiaganj Branch, Murshidabad. The seminar took place at Rabindra Sabhagriha, Room No-5, commencing at 12:00 noon. Under the patronage of Dr. Kamal Krishna Sarkar, Principal of Sripat Singh College, the event aimed to educate and inform students on various health issues, promoting better health practices and awareness among the academic community.

Dr. Sagar Simlandy, IQAC Coordinator of Sripat Singh College, served as the organizing secretary, while Dr. Shibu Paul, NSS Programme Officer, acted as the joint convenor. Distinguished personalities like Dr. Amal Modak, Dr. Prasenjit Nanda & Sri Anup Chakraborty, secretary, Students Health Home were present in the program. The seminar brought together a diverse group of medical professionals who shared their expertise on critical health topics. Dr. Rajarshi Mandal led a detailed discussion on cancer, highlighting the importance of early detection, prevention, and the latest treatments available. Dr. Buddhadeb Bhattacharjee focused on ENT (Ear, Nose, and Throat) diseases, discussing common ailments, their symptoms, and preventive measures.

In addition to the discussions on cancer and ENT diseases, the seminar also featured a presentation by Dr. Akash Banarjee, who emphasized the significance of dental care. Dr. Banarjee explained the best practices for maintaining oral hygiene, preventing dental diseases, and the importance of regular dental check-ups. Another notable contribution came from Dr. Tapas Debnath, whose insights further enriched the seminar, although his specific topic was not detailed in the provided information. Each presentation aimed to provide practical knowledge and raise awareness among the students, equipping them with the tools needed for a healthier lifestyle.

A significant outcome of the seminar was the signing of a Memorandum of Understanding (MoU) between Sripat Singh College and the Student's Health Home, Jiaganj Branch, Murshidabad. This partnership aims to enhance health services and support for students, ensuring sustained health awareness and care initiatives. Additionally, a blood group testing camp was conducted as part of the seminar, providing students with important health information. All students of Sripat Singh College were encouraged to register for this informative seminar through a provided online link. Upon completion of the seminar, all participants were awarded certificates, recognizing their engagement and commitment to health education. This initiative by Sripat Singh College, supported by the Student's Health Home, exemplifies the institution's proactive approach in fostering a well-informed and health-conscious student body.
