**CRITERION I – CURRICULAR ASPECTS**

**1.1 – Curriculum Planning and Implementation**

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The institution wholeheartedly encourages the student to take part actively in sports and games, cultural activities and social works apart from academic activities. In the beginning of every session, the college publishes a prospectus, comprising vision, mission, and achievements of the institution. Remedial and tutorial classes are also conducted based on the requirement. Teachers of several departments sometimes take extra classes, in addition to their regular classes, for completion of the syllabus in time. The IQAC & Teachers' Council discusses every important aspect of the institution in detail. The resolutions of the meetings highlight the future course of action as far as teaching and learning are concerned. At World Environment Day (June 6) of every year, the Principal and all concerned campaigning to be aware of tree plantation, non-tobacco habits, cleaning of neighbouring society, etc. At the beginning of the academic sessions, the college publishes a routine, which indicates the allotment of classes of each department. Primarily, the central routine is walled up in the college corridor. Subsequently, the departmental heads allot the classes to his/her departmental colleagues. The routine is prepared in such a manner so that it enables a teacher to complete the curriculum within a specific period of time. If any discrepancy in the routine arises, then those are resolved by the Secretary, Teachers' Council and Principal. Teachers of several departments sometimes take extra classes, in addition to their regular classes, for completion of syllabus in due time.

- At the beginning of the session, students are mentored by the permanent faculties of the institution via one-to-one correspondence during document verification at the time of their admission.
- The mentees are supervised by the mentors for few weeks to identify their academic, social and financial backgrounds. Thereafter, the mentors make a strategy to make the students mentally strong, confident that they achieve learning goals.
- Time to time the mentors meet the students formally to discuss and counsel them regarding their academic progress, attendance, and other issues (if any).
- Each mentor maintains a record of the details of the students and the mentoring sessions. The mentors try not only to counsel the students to improve their academic performance, but also to guide them in achieving their goals and help them in coping with different unfavourable situations if the students confide in the mentor. The one-to-one correspondence enables the mentors to instil human and moral values like social responsibility, ethics, etc.
- The mentors also provide psychological counselling to students, in special cases. In cases where they think that the mental health problem is beyond their purview, they refer the student to the external psychological counsellor.

The College authority always emphasizes the proper and optimal utilization of all the available infrastructures for better teaching-learning facility. The proper utilization of the infrastructures provided to the Departments is also monitored by the respective heads of the Departments. Following are some of the important parameters by which these are ensured. 1. The class rooms in the main building are used by different departments for taking under graduate and Post graduate(DODL) classes according to the scheduled routine throughout the academic session. Teachers use green board to teach in the class and also use modern available infrastructure such as computers, projectors for taking classes. 2. Laboratories of the different departments are properly used for practical classes. 3. The library follows certain protocols in the usage of books. The entry register is kept for both staff and students. Anybody who enters the library must enter in the register to use the facilities in the library. At the beginning of the first year each student will be issued library cards after collecting their details. New card will be issued to the students only after the previously borrowed books are returned in good condition at the end of every semester, all the students must return their books to the library. Likewise teachers also use library books for their class purpose and research purpose and return the books at the proper time. 4. Classes for the course under DODL are held in the specific building of the college. 5. Apart from the scheduled classes department organizes seminar presentation for the students time to time in the specific seminar room utilizing the available infrastructures such as projector, white screen, and computers. 6. The college is one of the examination centres for U.G. under Kalyani University. Besides that the infrastructure of the college is provided by the state government, it is sometimes used on holidays for various activities of public interest such as examination centre of different public examinations like PSC, SSC CSC, Clerkship, and WBCS. etc. 7. Fresher's Welcome, annual social Function and other programme are arranged in auditorium of the college without affecting the routine class. The seminar room of the college is also used for various socio and cultural activities.
