

MESSAGE FROM IQAC COORDINATOR

Institute is our back-bone to ignite the robust-knowledge and inherent-skill for the society. Reputation that holds 75-years of journey in the fathomless ocean of prestige and perfection accolades our new feather in recent past. Our strong and invincible determination towards the societal responsibilities floods the barrier of the darkness of educational filth. From the great power to meet the great responsibilities, we have strong and indomitable spirit of service for the learner-centric education. We, the proud family of Sripat Singh College, cordially welcome to all my beloved learners from every corner of the society to be the part and parcel in this neo-normal teaching-learning arena. My beloved learners you are the foundation stone of our future. So, we welcome you to grab the golden opportunity in our limited time offer. We hope, we will start a fresh hands-on-hands journey with all of you. In last but not least, my dear learners, I, the IQAC-coordinator, on behalf of Sripat Singh College, proudly welcome you to meet the golden-journey with no stone unturned. Thank you and God bless you.

Dr. Sagar Simlanday
IQAC Coordinator
