Jiaganj, Murshidabad

Department of Molecular Biology and Biotechnology  
Study Visit at Birla Industrial & Technological Museum  
Session 2022-2023

## Notice

Study Visit at Birla Industrial & Technological Museum on 13<sup>th</sup> of January, 2023

It is notified for all 5<sup>th</sup> semester Honours students of Dept. of Molecular Biology and Biotechnology that a study visit will be held on 13<sup>th</sup> of January, 2023 at Birla Industrial & Technological Museum, Ballygunge, Kolkata, West Bengal, under the course code CCR12- MBBT 502 (P). Interested students may contact the undersigned for their participation.

**Dr. Abhishek Basu, Ph.D.**  
Head and Assistant Professor  
Dept. of Molecular Biology & Biotechnology  
Sripat Singh College, Jiaganj, MSD

## Report

Four 5<sup>th</sup> semester honours students of Dept. of Molecular Biology and Biotechnology, along with the faculty members of the department, participated in the one day study visit at Birla Industrial & Technological Museum, Ballygunge, Kolkata, West Bengal on 13<sup>th</sup> of January, 2023. Students visited the biotechnology laboratory of BITM, Kolkata to learn the basic concepts of biotechnology and had an overview of application of different biotechnological processes in day to day life. They also learned about some basic genetics, cell biology and other related topics through an interesting quiz game. They also gained the basic and advanced concepts of Recombinant DNA Technology and its application in the field of medicine, agriculture, research, etc., through an audio-visual display. Students got ideas about the development of biotechnology and its application from medieval history to modern day world through charts, posters, models, etc. The one day visit encouraged them. They were inspired to learn and apply biotechnology in their day to day life and they could consider biotechnology as a career option in future.

No. of participants – 4

Name of the participants- Dipan Singha, Shraban Haldar, Barnali Bajpayee & Subham Das
