

**Vision:**

- To empower academic fraternity of the college with enriching library collections.
- To provide a student-centered learning environment that facilitates transference of information and to cater to the needs of its users to access it.
- To provide quality information resources and value added services in support of academic and research needs of students and faculties.
- To explore and implement innovative technologies and services to deliver information and scholarly resources, conveniently to users in the campus. To also provide well-equipped and functional physical spaces where students can pursue learning independently beyond the classroom.
- Reprographic Services (photocopy facility at subsidized rates).
