DESCRIPTION OF THE EXCURSION

3rd June, 2023

At about 5pm, we gathered at Khagra Ghat Road railway station. From there, in guidance of our teachers, we took Teesta Torsa express at around 6:40pm since it was a 12-hour long journey to our destination, Lataguri, we had to spend the whole night inside the train. At 11pm, we completed our dinner inside the train and we went to our seats at around 11:30pm for sleep. The whole night spent with gossing with my friends and making for.

4th June, 2023

Then at 2:45 am we washed our face after completing brushing, we had some breakfast with tea and biscuits inside the train. At 4:00 am we got down at our destination, i.e. the Mayhaguni station. Then we reached our resort in Lataguri by car which was about some km far from the railway station. We reached the resort at 5:30 am, and after check-in in our room we took rest for a while. Then we went outside to conduct PIT FALL TRAP installation, in guidance of our respected teachers we completed our task by 9:00 am and after that we had some food at around 9:00 am. After taking bath we took rest. We had our lunch at around 1:50 pm and after that around 3:30 pm we went to the auditorium of "GORUMARA NATIONAL PARK" and set out for the core area jeep safari at Gorumara National Park. After about few minutes we reached to the view point, during the journey we saw many animals or birds like – Peacock, various

types of Butterflies , Dears , Monkey etc. After reaching the view point we see the SULT PIT where the animal are come , there we see horn bill , wild pig , dears and many more after sometimes we saw a Rhino. Then cameto hotel we enjoyed a folk dance and then take our dinner and went to our home with my friends and spend whole night by gossiping with them.

5th June 2023.

We started our journey around 5 am from our hotel for the Buffer safari by jeep at Gorumara National Park we complete our safari within 3 hours.

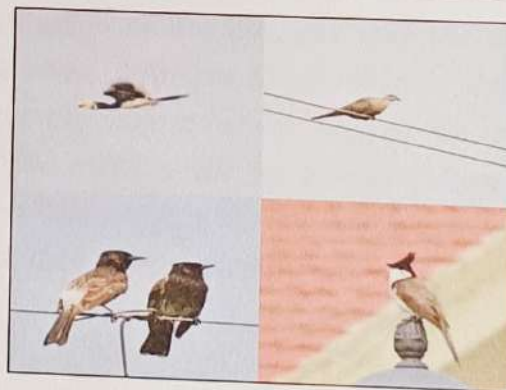

During journey we saw many animal and trees like-

- 1) Monkey
- 2) Peacock
- 3) Wild buffalo
- 4) We saw various birds that we can't identify them.

Then we go to "Neora River" where we saw various kind of algae fare larva and also saw the footprint of Bisnoi, fox, peacock. Then we back to our hotel at 9:00 am. Then we go the nearby forest where we collect our pit full complete and back to hotel. After taking our breakfast we go to the auditorium of Gorumara national park and do our quadrate practical where we divide into 4 groups and collects various insects. Then we visit the rescue centre. Then we back to the hotel and take our lunch. After completing lunch at around 2 pm. We identify the sample PIT FALL and quadrate practical.
